FFWPU UK: Comings and Goings

Last week, we had a few problems with this important story, and so with apologies we are going to run it again.

Over the coming weeks, we will be featuring interviews with those who are leaving office as we ask them to share some highlights and reflections, whilst the new arrivals will give us an insight into their vision and goals.

A Portrait of Mental Health Experiences in the European Unificationist Community

Funded by the Cranes Club, the Healthy Minds research project aims to assess the mental health experiences of Unification Church members in Europe.

It is the hope of those who have invested such an extraordinary amount of time and heart into this project that the findings will prove insightful and useful for the future development of the European movement.

Spotlight on Korea: Kimchi vs. Covid-19

Kimchi. The Korean equivalent of marmite - you either love it or hate it! But no matter how you feel about this traditional fermented dish, there's no denying that it has some remarkable health benefits.

In this new "Spotlight on Korea" feature, we take a look at how effective kimchi and other fermented vegetables are in boosting the immune system against Covid-19.
