Report on 10-day DP online workshop in Ukraine (by Anna Kalmatskaya)

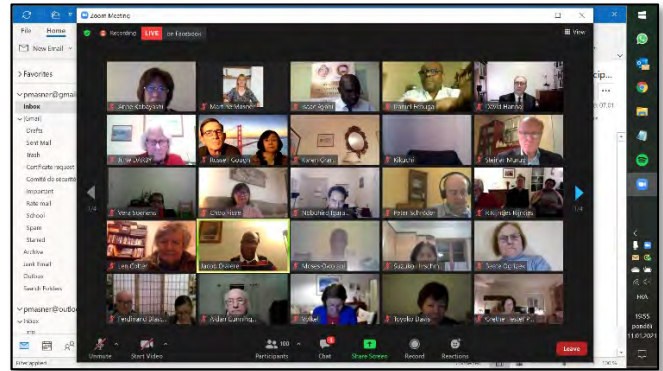

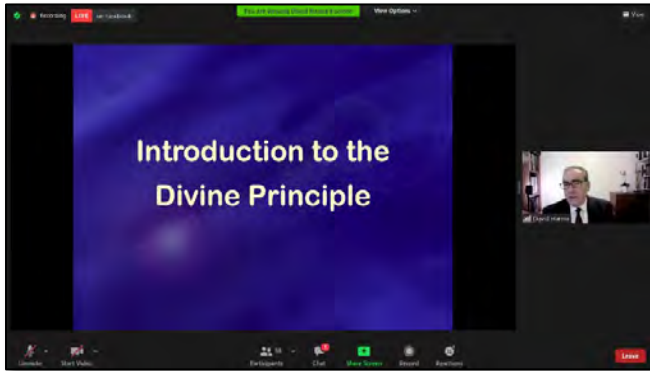

On January 15-24 there was 10-day DP online workshop for five new guests. We used the materials offered to us by the Europe witnessing department. Based on the proposed program, we also created the Ukrainian language presentations and spiritual guidance, selected HoonDokHwe material.

After the workshop, three participants expressed a desire to join our educational online program, that we just developed. The program includes morning HDH, studying DP together and practicing it through lectures, also different interesting challenges that participants can do and report about it every week.

On January 22, 2021, Mr. Andrei Esanu gave a public presentation for over 100 attendees on our CARP Platform on Finding Balance And Coping With Stress. Since Mr. Esanu is a psychotherapist (and also our member), he could give so much good advice to young people how to overcome adverse situations. It was very interesting to the young people, and we received so much positive feedback.

How to become a DP lecturer

We continued with our online series on How to teach the Divine Principle. Around 30 young people attended our last workshop.

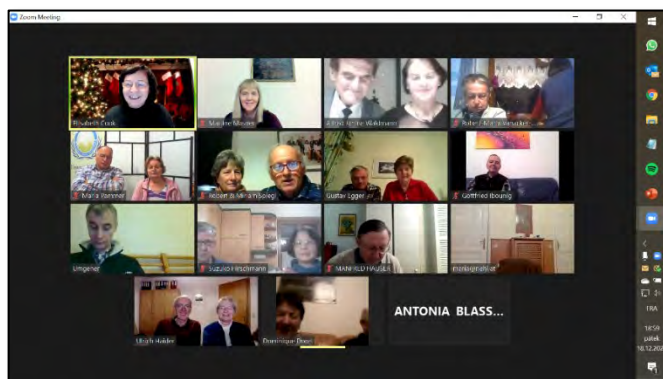

HTM Activities - Moldova

In January more than 50 couples from 3 districts (6 villages) in Moldova participated in HTM meetings called "Happy Family Club" (Home Church activities). These meetings were held by Family Federation in partnership with LPA and community leaders. In a warm atmosphere participants learned how to strengthen husband-wife relationship, and were encouraged to offer each other Christmas gifts prepared by Family Federation.

In Austria, they started to do weekly Zoom HDH meetings with new guests and contacts of HTM Victors. I was also asked to give a presentation to them on the Creation of Home Groups – our Witnessing Dept. created a series of 12 HDH readings, taken from the Heavenly Tribe Hoondok book.
