### Matching & Blessing Workshop for Blessed Children and their Parents – Level 2

Friday 29th – Sunday 31st October

Registration Form

We want to warmly invite you to the upcoming European Matching and Blessing Preparation Workshop Level 2.

A Matching and Blessing Preparation Workshop is a requirement for all who wish to attend the Blessing. It is designed to support all candidates and parents who are preparing for the matching, and those already matched who are getting ready to go to the Blessing.

**Registration deadline:** Friday 22nd October

**NEW:** The Level 2 workshop consists of two parts:

Part 1 – Webinar on the Europe and Middle East (EUME) level

Part 2 – Sub-regional Seminar

**NEW:** Attending the workshop is a requirement to register on the international matching website: [www.blessing4u.org](http://www.blessing4u.org)

The workshop certificate is valid for 2 years. Details on page 4. We will cover the following topics:

- True Parents Lineage and the Meaning of the Blessing,
- Parent-Child Relationship,
- Preparing myself for the Matching,
- Testimonies from Parents and Candidates and more...

Good communication between parents and candidate is central in the matching process, therefore, to attend this workshop together is the best preparation for matching. If both parents and children receive this content together there is a better foundation for discussion and sharing throughout the matching process.

For some parts of this webinar, we will divide into two groups – with some presentations aimed at guidance for parents, while others will focus on guidance for candidates.

Even although this workshop is online, we would ask you to set aside the **whole weekend** to focus on the content. There will be plenty of breaks, where you can take time to discuss between parents and children, eat meals together and reflect individually.

## **Overview of the Education Requirements for Matching and Blessing**

Please note that each candidate has to complete the necessary education in order to be able to attend the Blessing. Ideally this education should be completed before starting with the Matching Process. It is important to prepare well before beginning the search for a possible partner and this education will help families to approach the matching in a better way.
