

## FFWPU Europe and Middle East: An Update on the Unification Fund

Dear Families,

A few days ago I sent you a memo about an important opportunity for us to support True Parents' work by offering two special donations, and on Wednesday during our Regional Prayer service, I explained in a little more detail. The first requested donation is in honour of True Parents' 102nd and 79th Birthdays and the 10th Foundation Day. The second is for the Unification Fund for the Heavenly Unified Korea.

I've just had some welcome news: the suggested amounts for both donations are based on a sliding scale based on the different levels of national economies in our huge region. We hope that this will be a relief for many of you who very much want to participate, but would realistically struggle to meet the higher levels of donations requested. Details of the national groups and suggested amounts are enclosed in the attached chart.

Dear Families,

### **An update on the Unification Fund**

A few days ago I sent you a memo about an important opportunity for us to support True Parents work by offering two special donations, and on Wednesday during our Regional Prayer service I explained in a little more detail. The first requested donation is in honour of True Parents' 102nd and 79th Birthdays and the 10th Foundation Day. The second is for the Unification Fund for the Heavenly Unified Korea.

I've just had some welcome news: the suggested amounts for both donations are based on a sliding scale based on the different levels of national economies in our huge region. We hope that this will be a relief for many of you who very much want to participate, but would realistically struggle to meet the higher levels of donations requested. Details of the national groups and suggested amounts are enclosed in the attached chart.

I have to tell you that very this welcome concession was in fact the result of some intensive discussions with IHQ. I promised on all of our behalf that by making this change, we would have many more people participate than before. Please help me be proved right, by joining in this campaign as soon as you can. We are hoping to see at least 2,022 donors on the list for the Unification Fund, so please consider making a small additional donation for other members of your family and relatives and make sure that we have as many names on our "roll of honour" as possible!

Thank you once again for you love and support,

Sincerely,

Michael & Fumiko Balcomb
