# 7. a TESTIMONIES

**Alexandra Nikolayeva, 38, Female, Latvia, 2022. 01.22.**

“At this workshop I realized why True Mother identifies herself with the yellow narcissus. Narcissus breaks through Ice and frozen ground. At the Chanyang session I felt that participants are breaking through the spiritual ‘ice’ with their sincere efforts, by clapping and hitting the body. I feel that I am coming closer to spiritual rebirth through the CheonBo providence.”

# 7. b TESTIMONIES

**Anonymous, 20, Female, 2. Generation member Budapest, Hungary, 2022. 01. 22.**

“Today I could pray in the inherited Cheonshim Won Prayer room, and soon as I entered, I was moved and I felt that Heavenly Parent is embracing me. While Mr. Krebsz gave his presentation there was a slide on the screen, where evil spirits hid inside the cells. It was such an intense experience for me that I got terrified, therefore I worked very hard during the Chanyang Seoksa. The Blessing Ceremony for Ancestors was overwhelmingly joyful and tearful for me. **I was thinking about the ancestors who had faced their earthly sins and now they are purified by True Parents. Thank you, True Parents, for your special grace!**”

# 7. c TESTIMONIES

**Tamaskane Bezensek Judit, 47, Female, Budapest, Hungary, 2022. 01. 22.**

“After the Chanyang Yeoksa I felt all my body dazzling, even though I did not hit strongly. It was not because of hitting. And during the session I felt strange feeling in my leg. I think it was about the leaving of the resentful spirit. It was very touching to watch in the “HJ Today”- video how many prayers were done in Korea and I felt I need to offer more devotion as well. At the Ancestor Blessing Ceremony, I felt happy and joyful atmosphere. One thought came to me that how even more beautiful it is in the Spirit World.”

# 7. d TESTIMONIES

**Anzela Tamanova, 41, Female, Latvia, 2022. 01.22.**

“Before the Chanyang Yeoksa I felt irritated and desire to leave the workshop. Often, I have difficult time before the Chanyang session to liberate the evil spirits; I feel angry and want to hide somewhere. But during the Chanyang Session I felt light and happy to participate. I felt energy and wanted to cry because of such **deep emotions**. I don't know why it is difficult for me to hear the Korean speech at the CheonBo Seminar but I feel so much grace **when I continued to attend every time the workshops and work through my spiritual problems**. Thank you for the chance to participate in CheonBo WS in our nation, this time I felt that I want to go to 40day workshop in Korea.”

# 7. e TESTIMONIES

**Anonymous, 49 Female, Latvia, 2022. 01.22.**

“Thank you for the CheonBo seminar! I felt sorry that I still have lots of fallen nature, also repentance for my ancestors’ sins. Even now when writing this, good spirits are shining to me and agreeing. I also felt a stimulus to grow spiritually, develop my heart of love towards brothers and sisters and my family. This seminar is the 4th time in Latvia. Maybe because the number 4 is the number of separation from evil, it was difficult for organizing it this time and I feel satisfaction now and gratefulness to Heavenly Parent that it went well.”

# 7. f TESTIMONIES

**Klimesne Bakonyi Zsuzsanna, 51, Female, Budapest, Hungary, 2022. 01. 22.**

”This whole event was again so beautiful! I am very grateful to True Mother who allowed the establishment of the CheonBo Branches throughout the world. **This time after the Holy wine ceremony during the Blessing Vow I felt so moved that I could not stop crying. The gratitude of the Blessed Spiritual Couples was so real to me, I felt how incredibly privileged we are that we could receive the Blessing during our life on Earth and directly from True Parents.** The whole beauty of the blessing itself was completely enveloping me. It is very difficult to express it with words. I really wish that more blessed members and other people too can experience the lofty value of the Blessing. Thank you!”

# 7. g TESTIMONIES

**Narine Buseva, Female, Belarus, Minsk 2022. 01.22.**

”Dear, beloved, respected True Mother!

No words can convey the feelings I have in my heart. In my mind I write a letter to you every day about me becoming a filial daughter and I repent in tears that I am not there yet, because I do so little to bring closer that happy day when all the children of the Heavenly Parent will be restored and blessed. From the very first moments I learned about True Parents, and how True Parents work hard for the salvation of mankind, I knew that I will always follow you.

**It is very difficult to remain a person who attends True Parents only by one's own efforts. The CheonBo seminars help me become a little cleaner, fill my heart with determination and gratitude for the opportunity to live at this time here with True Parents, to liberate people in the spiritual world and on earth.**

When I found out that I should become the Heavenly Tribal Messiah, I understood that the task is very difficult for our family, almost impossible, but the desire to fulfill the goal was so great in me that I signed a resolution to fulfill my responsibility until 2020. **Then with my husband we wrote the wish paper, and I asked the good spirit world to help us fulfill this promise. Unfortunately, by 2020 we could not become a CheonBo couple, we fulfilled this promise in 2021. It is so pleasant and joyful to bring at least a small, but victorious result.”** *(continues on the next slide)*

# 7. g TESTIMONIES

*Continues from the previous slide.*

**"The most valuable compliment in my life I received from two brothers, they said that I look like you, True Mother. Since then, I've been doing my best to resemble True Mother, at least in something. I still feel great joy remembering these moments in my life.**

When I first met my husband, he shared about himself and added that he would like to become True Father's bodyguard. We were 21 years old and it looked like he wanted to impress me. And that was true, his words and determination deeply touched my heart.

Now I can feel the Heart of Heavenly Parent and True Parents in CheongShim Won in Belarus. We have it because of your infinitely kind heart, True Mother. When I pray in CheongShim Won, I feel the great love and care of the True Family, as if they are hugging me from all sides, and I would like to live eternally feeling this embrace."

Thank you True Parents!
