그렇기 때문에 이 3차 7년 노정을

H.E. Stanislav Shushkevich passed to his eternal home at May 4 2022 and was liberated at May 7 2022

"I had the privilege to be at the World Peace Blessing in 1992, when I was still head of state of Belarus. ...At that time we were so happy because of our new-found freedoms. But looking back now 15 years later I can say that freedom alone is not enough: we must have strong families and a strong moral structure if our nations are to prosper."

7. a TESTIMONIES

Judit Bezensek, 48, Female, Budapest CheonBo VOD event, 2022. 05. 07.

“Although I did not bless my own ancestors this time, I felt so much joy when the ancestors entered into the Hall. I felt thrilling and I started to cry because of joy and I was deeply moved. **After the Holy Water Ceremony, I wanted to cry out in joy as well. I felt the happiness and gratitude of ancestors.** A few times I started to weep. I am sorry that I could not finish yet the blessing of my ancestors.”

7. b TESTIMONIES

Anonymous, Female, Budapest CheonBo VOD event, 2022. 05. 07.

”Dear Heavenly Parent and True Parents,

I am grateful that I could participate at the CheonBo event. When we travelled to the workshop place, I saw True Father and my physical father. They were watching over us. During the Chanyang Yeoksa session, I saw the picture that True Father showed me a long time ago. **True Father was leading the Chanyang Yeoksa session, his unconscious and conscious mind were in the proper balance. True Father said to me “Be the Principle.”** Thank you, True Parents for your guidance.”

7. c TESTIMONIES

Gergana Babikova, 70, Female, Sofia CheonBo VOD event, 2022. 05. 07.

“During the ancestor blessing ceremony, I had a deep insight and vision with my parents, who were blessed in spirit world at the previous Cheonbo event. When they lived in the physical world they were divorced and they had a lot of difficulties because of their differences in culture – my mother is from Estonia and my father is from Bulgaria. My brother and me also had a lot of difficulties with this situation. Now I saw my parents held hands and felt happy in harmony. My mother looked at me with enlightened face and clear look as she was calming me down. Her face radiated light and nobility – the pure Spirit. My father was pleased and joyful and for the first time I felt his approving look. His face and hands radiated with strong orange light as Fire with great beauty – in his right hand he held a Fire brush and a palette (He was a painter on the Earth and created a lot of paintings) **It seems for the first time both of them were pleased from me as a daughter that they had received the blessing and now they were happy. They told me that my brother is with them. While leaving they told me not to give up from the Way that I had already paved and they had started walking along.**”

7. d TESTIMONIES

Gillian Schroder, Female, Chislehurst CheonBo VOD event, 2022. 05. 07.

"We are very grateful for the opportunity to attend the CheonBo event at Chislehurst today, especially as we were able to bring our younger son with us. He had not attended church events for some time because of his blessing situation, so it was wonderful to see him enthusiastically participating in the Chanyang session. He was also very amazed by the developments in Korea which he didn't know about. **During the ancestor liberation, I felt that some of my relatives in the spirit world were jealous of my parents who are liberated when they are not, so I made a determination to liberate more of them. I was also very moved by Rev Lee's speech which encouraged us to teach the Principle to our relatives before it is too late.** I hope we can have another CheonBo event in the United Kingdom soon.

7. e TESTIMONIES

Anonymous, 49, Female, Riga CheonBo VOD event, 2022. 05. 07.

"I am very grateful to Heavely Parent, True Parents and Dae Mo Nim that we can hold and participate in the CheonBo seminar. We need to make conditions to help True Mother in building the Cheon Won Gung Temple and uniting North and South Korea. And this seminar is one of such condition.

After the Chanyang Yeoksa session I felt vibrations in my head and body like and electric torrent passing, I felt the closeness of the spirit world and their efforts to help us to clean ourselves.

From the lectures I remembered that our requests to the spirit world have to be concrete to get answers. As subjects we have to understand what we want, what results we want to reach and then ask for spiritual help. I am very grateful to Hyo Jin Nim for his help and to my absolute good ancestors, who have cared for my family every day, give warning signs or help to solve difficult issues."

“Thank you for organizing this wonderful seminar!

The greatest realization is that our heart and spirit during the preparation helps to create a really unique atmosphere. **I was touched by the word on purity, to be clearer than crystal. Today's events motivate me to purify and renew myself.** I am very grateful to the team of brothers and sisters and leaders who show the example of purity and service. Thank you, Heavenly Parent and True Parents!”

Thank you True Parents!
