

EUME BLESSED FAMILY DEPT.

**SUMMIT 2022** 

"Enriching Blessed Families"

Dear Blessed Family Department Representatives,

We extend a warm welcome to you and anyone working with your national Blessed Family Department to this year's Annual Meeting. We have really missed meeting each other physically during the past two years of lockdown and we are so excited to meet everyone face-to-face!

This year's meeting will take place in the lovely city Prague in the Czech Republic.

As always, the annual meeting provides us with a great opportunity to meet together and develop our working and personal relationships. We can share essential information, make plans and discuss approaches to important issues – this is the main chance in the year that we have to formulate our policies, share best practices and offer each other practical support.

Please do consider sending a representative if your national BFD person is unable to attend, and please do come as a couple, if you are able to do so. Please do make special effort to encourage any young person who is working with you or who are interested in the work of the BFD in your nation to attend – we need to give our future BFD staff this opportunity.

## Topics we like to cover during our meeting:

- Cosmic Blessing 2023 how can we prepare our candidates (Blessed children, 1<sup>st</sup> gen. and Intergenerational couples), in the best possible way, for the 2023 Cosmic Blessing?
- Community building how can we develop our Blessed Family dept. to support our Blessed families better?

There will be a focus on networking and small group discussion:
