Ascension of Joanna Hartl

Our beloved sister ascended to the spiritual world on 30th May. She had been in the intensive care unit for five days, bravely fighting an infection in her kidneys, which spread to her lungs. A [GoFundMe page](#) has been set up to support funeral costs, and a 3-day prayer devotion began today.

Postponed Companions of Faith Workshop

Due to several circumstances, the timing of the workshop is no longer ideal, meaning we would not be able to offer a workshop as good as we would like to. It is for this reason that we are postponing the workshop to a later date (TBC). We want to apologise for any inconvenience or disruption this may cause you.

Keiko de Giles's "Thank You and Good Luck" Luncheon

On Monday 30th May, the 60th Day of All Things, we held a joyful "thank you and good luck" luncheon for our dedicated sister Keiko de Giles, who has just retired from her twin roles as residential Lettings Manager in Stanton Fitzwarren, and as the first manager and Warden of the Holy Oak Hill Memorial Woodland and National Wonjeon (burial ground).

Altogether, Keiko has been serving in Stanton for more than 35 years. We both came to this country on the same plane in 1981 as part of the One World Team from Japan, and started our public life as missionaries together in Glasgow. When Mike & I returned from America a few years ago, we were so happy to meet up with Keiko once again and see all that she has

accomplished to honour and help develop the great gift of the Stanton Estate from the late Henry and Avril Masters.

In particular, the development of the National Wonjeon and the Memorial Woodland Park was pioneered by Keiko. Everyone who comes there has remarked on the spirit of love and tranquillity and the meticulous and dignified care at the time of the Seonghwa ceremonies and later on for the graves of our ascended family members. **Keiko's hard-working** example has inspired many others to volunteer their time and efforts to develop the Holy Ground, including the construction of the beautiful Memorial Hall and the soon-to-be completed new toilet facilities also being **built by Ed Stacey**. **It's no exaggeration to say that Keiko has been** looking after all the residents of Stanton, both the living and the dead, with equal devotion.

Thank you, Keiko!

Fumiko Balcomb

P.S. Keiko's retirement means that we are urgently looking for a qualified person to take on the mission of Warden for the Holy Ground. For application details, please click [here...](#)
