Words of Encouragement by Rev. Jack Corley, East-Europe Sub-Regional Director

God has witnessed a vast number of human miseries throughout the past 6,000 years and faced countless difficulties.

Therefore, in the last days, He puts you through the environment where you cannot find the center with any ideology or faith.

God wants to find true sons and daughters who will be able to say "I love God," or declare, "I will live with God" even in the midst of such tribulations and difficulties.

Listening to the words of True Mother, *Watching the Hyojeong Today*

our life here and your spiritual bodies should be clear as crystal.

To do this, you must understand the providence clearly and become one with True Mother,

Opening Address: Rev. Gi-seong Lee, President of Cheonshim Won

Time will not wait for us. This is a special time. If you miss the time, you will be criticized by your descendants. No matter how much I talk about it, I cannot escape the responsibility for not doing something. Do you understand what I mean? Can I just be comfortable with you guys? It's hard to pray all night until 3 o'clock in the morning, but only 5 hours of sleep is enough.

We must raise our voices in front of Father and pray with devotion all night until things are accomplished.

Opening Address: Rev. Gi-seong Lee, President of Cheonshim Won

Abraham walked the three-day course with the feeling of walking up Mount Moriah with Isaac.

-Bang Sang-il, President of the Heavenly Japan Continent

We would like to thank you for setting a special three-day period of devotion. Abraham also walked the three-day course with the feeling of walking up Mount Moriah with Isaac. Also, like the three-day journey of Moses leading his people to escape, we must set out with the determination to be victorious by 2027 with the determination of whether we live or die, with the heart of starting the long journey of the next 60 months.

In particular, it was a time to realize and reflect on many things after listening to eight lectures by Jin-Chun Kim.

7. a TESTIMONIES (continues on the next two slides)

Anonymous, Female, United Kingdom, Chislehurst, CheonBo VOD event, 2022. July 2.

Connection Prayer to the Main Training Center Cheonshim Won Prayer Hall: As soon as our Branch President Rev In Pyo Moon completed his prayer, saying “Aju” - Instantaneously I saw True Father in front of us! True Father smiled exuding love and beauty and goodness and peace such that I cannot describe. True Father looked so beautiful - divine. Respectfully - even more beautiful than Jesus. Jesus whom I love and trust, who guided me to True Parents - however, Father is even more beautiful. So beautiful, divine and filled with Heavenly Parent’s warmth and love!

Realisation: There is no spirit being brighter than True Father in the spirit world. Therefore, we can feel confident and boldly witness to EUME/ European Christians and Churches.

Chanyang Yeoksa Session: Immediately at the start of this session, the scene changed. I saw Father dressed in a white shirt. He stood sideways. This angle allowed me to see the large sweat marks under True Father’s arm.

Realisation: Father was still working so hard to help us. I felt grateful but also sad, sorry that Father is still working so hard on my behalf – serving me in this way. During the session, the spirit world reminded me of Father’s life of absolute giving, absolute offering, absoluteness throughout his whole life! Thinking of this filled my heart with tears – Oh are beloved True Parents!

7. a TESTIMONIES

Ancestor Liberation Ceremony: At the start of the ceremony, I saw many blessed couples in white clothes. They stood either side of an ancestor to be liberated holding him up. The ancestor was completely covered in a black substance like tar and could not stand up by himself so the Blessed Couples were assisting him. This was a very wonderful, natural scene!!

Realisation: In the end we are all one family – We need to help each other, assist each other to return to our Heavenly Parent.

7. a TESTIMONIES

With the help of the spirit world I could see:

1, How True Parents are absolutely and inseparably united, always together, and always one. So True Mother is never alone.

2, The True Family members and absolutely good spirits are completely 100% united with True Mother. Like the helm of a ship, whichever way True Mother steers, everyone is following at the same pace. So True Mother is never alone.

Realisation: I realized that in spite of this, Heavenly Parent also needs MY 100% focus, MY 100% investment, and MY 100% support of True Mother NOW. Not 40, 60, or 80% but 100%.

In my heart, I resolved to work harder until I am able to offer 100% effort concentration, and focus EVERY day. Thank you!

7. b TESTIMONIES

Miki Predescu, Female, 36, Romania, Bucharest CheonBo VOD event, 2022. July 2.

“First of all, I would like to express my heart of gratitude for Heavenly Parent and True Parents. I don’t know what word I could use to express how grateful I am. Of course, I was very nervous in the beginning because we host this CheonBo event at first time in Romania. And as a coordinator I felt a lot of responsibility and pressure. But because of the kind CheonBo staff and Rev. Krebsz, I could manage well at first time. This event started with challenges, before starting the event, the laptop charger got burned, one member couldn’t find any bus to travel, for some member on the way the train just broke. But still we quickly find the way to manage the situations, **I really felt until the last moment that such a spiritual battle, and how important this event is for Romania. I really wanted to feel the heart and love towards True Parents and towards Romanian people. And the ‘Mission song’ after the Chanyang session, made me really feel deeply ‘I want to choose to love no matter what come.’ I really felt this is how our Heavenly Parents are, and how True Parents lived their whole life until now and today as well. I really miss True Mother and of course True Father as well. Chose to love is many times painful. But still, I will choose to love because my True Parents do as well.** This CheonBo event was really meaningful for the Romanian community. We all felt so liberated and happy after the CheonBo event. We all could feel it’s very different spiritual atmosphere now. But same time I know from now on it is important, to put in practice what I realized and felt out if this workshop. So, I will do my best! Thank you so much Heavenly Parent and True Parents! And thank you so much CheonBo Team, your kindness and your support saved me a lot!”

7. c TESTIMONIES

Janis Vjaters, Male, Latvia, Riga CheonBo VOD event, 2022. July 2.

After the Chanyang session I felt purification with tears of gratitude and repentance, and received energy to comfort Heavenly Parent's heart. Also, when the newly blessed spirits were leaving, I felt an embracing cloud of warm, bright spirits who shared their happiness. **Because I could focus during Chanyang session and did spiritual conditions prior to the event, helped me to have such feelings and realizations.** Thank you, True Parents, for such grace!

7. d TESTIMONIES

Anonymus, 15, 2. Generation member, Female, Romania, Bucharest CheonBo VOD event, 2022. July 2.

It was a very special experience for me since this was my first time participating in Romania. I could feel that CheonBo WS was necessary. **After the Chanyang Yeoksa session, I felt so clear and light. When our ancestors received the Blessing, I could feel their happiness.** Thank you for this wonderful experience!

7. e TESTIMONIES

Gilles Kalafate, Male, France, Charmarande, CheonBo VOD event, 2022. July 2.

The day before the Ancestor Blessing ceremony, I had a dream. I dreamed that I was in a big hall with my wife. **There were many members and at the center of hall True Mother was there.** We were singing a song I did not know. We had different sets of clothing what we were wearing during the ceremony we were participating. **There was a very strong and powerful atmosphere, and True Mother was watching over at me.** At some point, I could only see her back and my eyes focused on her hair. And I wake up.

7. f TESTIMONIES

Magdalena Roxana Nicolae, Female, 45, Romania, Bucharest CheonBo VOD event, 2022. July 2.

“I’m truly grateful that finally the CheonBo Event was held in Romania as well. As a matter of fact, I have come earlier to Romania just for this event. Even though I liberated and blessed 430 generation of my ancestors before foundation day 2020. I was happy to attend as special condition for liberation of Romania and our Romanian spiritual world and our church. Because our Romanian church passed through tremendous challenges in the past few years. **The atmosphere was great, just before the Cheanyang Yeoksa session the atmosphere was very heavy spirited, all members felt so sleepy and like the whole Romanian spiritual world was ‘here’ waiting for such a holy grace to flow-in through CheonBo Liberation ceremony and Blessing of our ancestors. After all such a liberated, happy spiritual feeling we all felt. We are eternally grateful for our most beloved True Parents.** Kamsahamnida! Saranghamnida! Thank you CheonBo Team, President Moon and brother Tibor!”

**Thank you beloved
True Parents!**
