Dear Families,

Let's all remember to make our Seonghwa donations

Greetings from a very hot London. In fact, the hottest day ever recorded in the history of the United Kingdom!

The spiritual atmosphere is also heating up. We are now almost half way through the special 40 day devotional condition in preparation for the 10th Anniversary of True Father's Seonghwa Anniversary. When it began, we could not have imagined the recent events which have again thrust our movement into the media headlines. Despite all this, we are moving forward. Next week from July 26—28 we will have the grand Peace Road 2022 in Berlin, which is itself an official part of the International Seonghwa celebrations. Many of you are planning to come to Berlin – and there is still time to register. All are welcome!

May we remind you that each of our families are invited to make a **special Seonghwa donation** in the remaining days of this 40 day period: As in previous years, we are all invited to participate in this proud tradition. For the wealthier nations of Europe, the recommended amount is \$210 for families and \$120 for individuals. There are other rates for nations with smaller economies: your national HQ has details. Of course donations of every size, larger and smaller, are gratefully accepted. We prefer that these donations be made directly through your local church and community, although it is possible to donate directly to the EUME HQ.

We have to report on the progress of this donation drive every week, and frankly speaking we are off to a bit of a slow start. Although the final deadline August 31, it is our hope that we can meet our goal by the time of the Seonghwa itself on August 14th. If you and your family have already made this offering, thank you! But most of our families have not done so yet. Please would you make a special effort to complete this condition, if possible by the end of July and at latest by August 10th so that we can report a successful result?

There are several additional ways to contribute during these 40 days. There will be a separate memo about each of these opportunities, which include—

- 1) **A fine arts competition (deadline for submissions July 31) with cash prizes**
 - a) For adults in five categories (Photo, painting, songs, poetry and written testimony)
 - b) For children in two categories (Painting and poetry)
- 2) **Submitting a written testimony on the theme "Let's go meet True Father" on such topics as:**
 - a) A personal experience with True Parents (real world, or a vivid spiritual encounter)
 - b) A witnessing or outreach or educational experience during the 40 days
 - c) An experience on reaching out to members who are now distanced or dormant)
- 3) **Taking part in the local Seonghwa Anniversary** observances to be held on August 13 or 14, bringing friends, family or neighbours

Thank you for your prayers and support

Sincerely,

Michael & Fumiko Balcomb

“ Today, as I have returned the conclusion of the final perfection to You, Father, I know that up to this moment, I have offered my whole life to You. I am spending this time now to bring my life to its conclusion, to bring it to a close with utmost devotion, in accordance with Your Will.

In order that we may return to the original Garden of Eden, the garden with no trace of the Fall, and surmount everything that came to be connected to Adam's failure in regards to his portion of responsibility following the error committed by his betrothed, I, who have the authority to grant liberation and complete freedom to everything, declare that anyone who follows True Parents, be it someone in the fourth dimension, or be it someone who would otherwise go even to the fourteenth dimension of hell, will be adopted into the kingdom of heaven and registered in the fourth dimension.

I declare that if, centering on the fourteen sons and daughters, the tribal messiahs are able to fulfill the calling of national representatives and restore the 387 nations [of the Abel UN and Cain UN], everything will be brought to a conclusion. I have accomplished everything for this. I have completed everything. Aju! ”

“ If that is the case, all of you are gathered here today -- what would you like to tell True Father? I want to say the following:

“True Father -- from now on, please do not worry. We will absolutely complete this responsibility.

I pray that you comfort Heavenly Parent, who has been lonely until now in the Original Garden, that you may become free as One of Glory and Praise.” ”

the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind

Prologue A Great Journey

In the midst of silence, a light from Heaven comes down and the Cheonwon Dance begins. The true yang and the light of the tree of life becomes one with the original yin and the light of tree of love. True Parents, who become one, offer a floral tribute of gratitude to Heavenly Parent. The light of peace and unification spreads throughout the world. The life journey of True Parents, the trailblazers for peace and unification, is shown through video, photos, and voice. Next, a themed song "The Pioneer" is sang by the joint choir and the Youth Choir.

Chapter 1 The Creation Journey

The peaceful original world (the land of blessing) Heavenly Parent created in the beginning falls into chaos due to the Fall of mankind (the land of division). Human history goes through 6,000 years of sorrow. Starting from the March 1 Independence Movement, the foundation for the birth of the Messiah is laid on the Korean Peninsula, the country of the morning calm in the East, where the sun rises, and the only-begotten son and daughter come to emerge. The journey of restoration to this point is expressed through chorus, dance plays, sand art, etc.

Chapter 2 A Journey of Peace and Unification

True Father and True Mother receive the heavenly calling and proceed with the providence to realize God's Will. True Father, the only begotten son and True Mother the only begotten daughter meet and emerge as the True Parents as they marry through the "Marriage Supper of the Lamb", the beginning of the history of salvation for mankind. True Parents' victorious journey for peace and reunification unfolds, showing how they have tirelessly worked across the world for this cause, going everywhere - the east, west, south, and north. Their journey is portrayed through drama, chorus and dance all the way to True Father's ascension.

Chapter 3 A Journey of Victory

After True Father's holy ascension, True Mother conducted devotion in memory of True Father with the tearful resolution of establishing Cheon Il Guk at all costs. After concluding the devotion in remembrance, True Mother begins the Cosmic Canaan Course. She travels across the world in person to bestow the Blessing to all people. The future generations inherit such True Mother's victorious course and filial love for God. They are resolved to continue True Parents' work. Songs and dances express this process, and finally shows humanity making a resolve and living in harmony together.
