

FFWPU UK: Introducing The European Second Generation Development

Michael Balcomb
January 10, 2024

ESGD has undergone a transformation, shifting from being known as ESGD to adopting a new name that reflects their journey into the next phase. The transition involves a shift from being labelled a 'Department' to embracing 'Development' as a guiding principle for their future endeavours.

ESGD (European Second Generation Department) has rebranded itself to ESGD (European Second Generation Development). Learn more about it here:

ESGD is now ESGD

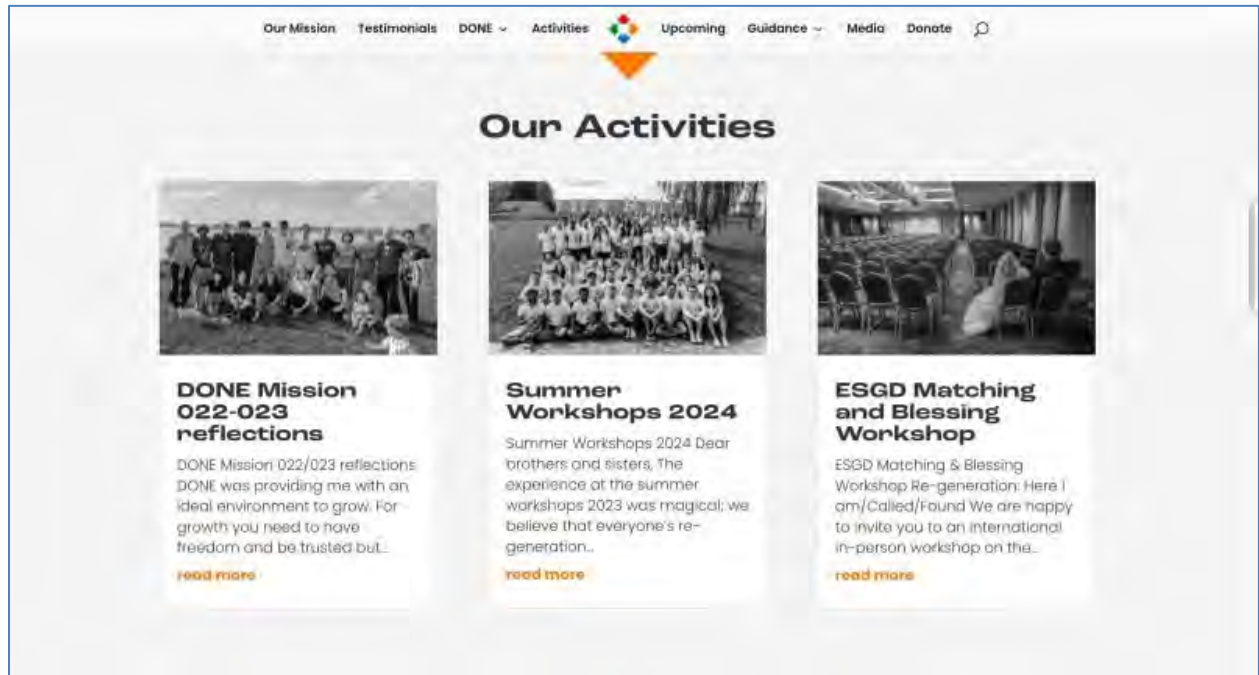

As the ESGD, we have been taking stock. We are commemorating 25+ years of offering education and care rooted in the Divine Principle, and the values and ideals of True Parents. There have been significant challenges to navigate over the years but our dedication and heart have remained steadfast - and so has our support. At this juncture, we particularly want to appreciate the foundation of years of investment from many brothers and sisters. The fact that we are still here is a collective accomplishment.

However, we will continue to be a work in progress because there is more work to do and new circumstances to respond to. ESGD is now ESGD; we have chosen a different ending to our name to guide us through our next phase. We are shifting from a 'Department' to 'Development'.

We are European Second Generation Development.

What's in our name? A clarity of purpose, and an expression of our identity. We are rooted in Europe, but have fostered deep connections with those from other parts of the world. We were initiated by Second Generation Unificationists, but will continue to work together with those who find meaning and a shared purpose. We have shifted towards 'Development' because we want to honour the foundation that we have built, whilst also nurturing the desire to mature and adapt.

Development is not measured in numbers, but in the quality of engagement and depth of relationships. Brothers and Sisters. Husbands and Wives. Parents and Children. Friends and Family. We are ESGD.

Testimonials

Done 2022

"DONE was genuinely one of the best and happiest times of my life. It helped me build a strong foundation for my faith through the content and the experiences I had, which I had been uncertain about for some time. I really want to live a life with God, and I'm committed to care and live for the sake of others. The relationships I made on DONE I feel couldn't have been made anywhere else. Having that constant support and the precious bonds I made with people really inspires me to keep growing and pushing myself to be the best person I can be not just for myself but also for God and those who I really care for. Being with such caring and supportive friends helped me remove some layers I was hiding behind and see the qualities I had which I was unaware of. Being able to be truly free around others and to just be myself was a big accomplishment for me."
