**Waldmann Alfred, Male, 71, Gafrenz, Austria, CheonBo 2-day WS, 2024. Jan. 13-14.**

**This workshop was truly the next step to go into deeper and better understand the meaning of the HJ CheonBo providence. This time all the Austrian Unification Movement got care and Prs. In Pyo Moon as a leader heartistically conveyed Heavenly Parent and True Parents' heart. I deeply respect the strong bold of CheonBo Team's work and I'm learning from them. Thank you again.**

**Ernst Hauseder, Male, 74, Gaflenz, Austria, CheonBo 2-day WS, 2024. Jan. 13-14**

**Dear True Parents, Kamsahamnida. On the first day at the Chanyang Yeoksa session I tried to get out the evil spirits somehow by force, I tried to separate them with power. During the second Chanyang Yeoksa session I got already quite tired. But at Sunday, on the second day of CheonBo workshop, was such a big difference. Because I understood that I can give a hopeful message to those evil spirits: “It is your chance now to go toward Heaven, please use it” This realization made such a difference; it completely changed the atmosphere. I could cry for those spirits. Thank you so much.**

*(Continues on next slide)*

My husband died just 9 months ago in this place, here in Gaflenz. Even though I felt cared and protected, still I couldn't open up my heart in prayer, not even here in the Cheonshim won. When the CheonBo Branch team came this time, I participated in Linz Church Centre the Cheonshim Won vigil devotion, and had the chance to speak to Mr. In Pyo Moon, telling him that I am ready to liberate one Central Evil Spirit from each of us, from my three children and myself. He then quite firmly said, it's not really much. He offered a help for me by sending the full scale of body pictures to Korea Training Centre in order to find out about the main central evil spirits in the family members. I suddenly felt: "Give as much as you can". Of course, it was a financial question how many I can liberate. Then I remembered, my older son gave me money for the grave stone for Franz, our Papa. I was asking Franz in the spiritual world what he would do, then it turned out that all of us were ready to liberate 40 Central Evil Spirits, all together from our three children and myself.

***(Second part)***

Our children are not connected now to the church. But beautiful thing just happened, that the day before the CheonBo Workshop in Gaflenz one of my children visited me, (1 partner + 2 children). The fiancé of our older son is very interested on our activity and open minded. I can't explain the real meaning of the central evil spirits and their liberation to my family, that's is why I needed to send their photos for scanning. So, I prayed and asked for the help of my husband who gave his help so far, that I can participate in the ancestor liberation ceremony in order to give birth to so many spirits at once. Because those spirits had a lot of pain and indemnity in their life. Prs. Moon In Pyo promised to help. When I did the registration in the office, some incident happened

***(Third part)***

**I had to move from chair to chair and as I looked down to the floor, then I could see the image of the Seongwha ceremony what we had for my husband Franz. Where I was seating, it was the exact place where my husband just died during a workshop a month ago. Then I knew for sure that my husband is absolutely supporting me. The great work we did with the CheonBo team this time opened my heart and my emotions in a most sacred way and I was connected again to our Heavenly Parent and True Parents in a healing environment and atmosphere. Thanks to everyone.**

**This CheonBo workshop was really enlightening and gave me hope for this tormented continent of Europe and Middle East. I hope that all brothers and sisters can experience the grace that comes from the liberation of the central evil spirits and we all uniting with our beloved Heavenly Parent and the True Parents of Heaven, Earth and Humankind and we can console Heavenly Parent by bringing back all His lost children. Thank you so much for your hard work!**
