TESTIMONIES

Wolfgang Grasböck, Male, 56, Austria, CheonBo 2-day WS, 2024. 01.27-28.

Heavenly Parent is so close in the Cheonshim Won. Heavenly Parent is so touched by any word which comes from deep heart, the children's heart, that is expressing or understanding his agony as a parent, that he has lost his beloved children. I feel, I have reached another or higher level of reality, deeply understanding the essence of the Divine Principle. I feel a became a different, new person provided with much more power, spiritual strength, confident to able to overcome the challenges in life and family.

Before we began the Chanyang Yeoksa session, in the front stage, the wall became golden curtain and Dae Mo Nim emerged and looked around who are there and walking among the participants. During the Chanyang Yeoksa session I felt that my bones became like sponge and the spirits could leave my body.

It was an amazing beautiful experience to attend the workshop in Seebenstein and Vienna. I had so much difficulties to believe in all the spiritual works. I could not believe in the existence of the evil spirits and the central evil spirits. I believed and same time not. I am deeply grateful for all the explanations to Mr. Inpyo Moon and Mr. Tibor Krebsz gave to us. At the ansu of Mr. Krebsz on my head, I felt so much love from him towards the evil spirits that they can be liberated and free to go to a better place. I am so grateful to have still I have a physical body and live in the same time with True Mother. I felt so emotional, very close to Dae Mo Nim for all her sacrifice and that she raised up the Only Begotten Daughter! I felt like she is my grandmother! It is so beautiful! Now I feel hope through the Cheonshim Won and all the Great Works. Thanks to True Mother for sending Mr. Inpyo Moon and the CheonBo Branch team to Europe and Austria. Thank you dear CheonBo Team. God bless you all!

It is not common for me to have spiritual experiences. I have only seldomly such experiences which “goes through my shell”. The testimony of one sister who shared about her husband’s passing touched me very much. I really believe that the Chanyang Yeoksa and the Cheonshim Won vigil prayer pierced the shell around me. And this workshop could bring me closer to my ancestors and enabled me to move my heart. Thank you for this experience.
