

FFWPU UK: Register Now for the UK's Upcoming High Noon Workshop

Michael Balcomb
February 21, 2024

After a successful tour throughout Europe last year, High Noon is now returning again to UK for a workshop organised by the new European branch, lead by Andranik K. Read more about the upcoming workshop below!

Register before the 20th of March!

Hello and warm greetings from the High Noon team! We are delighted to invite you to an exciting High Noon workshop coming up on Friday the 22nd to the 24th of March. The workshop will be hosted by the European High Noon team at Livingstone House.

High Noon have been working for the past 9 years to support people with understanding God's vision for absolute sexuality and how to create radiant blessings that can contribute to God's ideal. Recently, we have expanded to Europe recruiting a new chapter leader, Andranik K. from Lithuania, who will be part of the workshop staff team alongside Benjy Uyama, one of our High Noon core staff members. Benjy will be sharing dynamically from his experience as a husband, father and member of our community.

Now that we have established a European branch, their goal is to support all the members in our community who want to work on improving their lives and becoming radiant individuals and couples that can spread God's blessings to others. If you are a single person with unwanted habits who wants to prepare well for the Blessing, or a couple who want to learn how to have a smoother and more dynamic relationship, then this content is exactly what you need!

This workshop will touch upon the importance of community and honest conversations with your brothers or sisters, in going deeper to allow ourselves to be truly seen as the precious sons and daughters of God that we are. The topics discussed will be porn recovery, improving parent-child relationships, how to prepare well for the blessing, and how to become champions at the High Noon virtues:

Courage

Honesty

Grace

Accountability

High Noon Europe

High Noon is coming to London on March 22nd–24th, 2024, to hold a 2-day workshop for youth and young adults, as well as a special program for parents! Join and experience building High Noon culture, a life without shadows, in your own life!

Registration: bit.ly/HN-London
Deadline: March 20th, 2024
Youth participation fee: £45

There will also be a parents program on the afternoon of Sunday the 24th of March for all the parents who want to learn more about how to best support your children to have a successful future and what High Noon is and does - an opportunity to meet the team!

Don't miss your chance to experience a life changing event that will guarantee a mind-blowing transformation in your understanding of God, marriage, sexuality and your value as a blessed child.
