Blessing Update

01.03.2024

Dear Brothers and Sisters,

On behalf of True Parents, the International Blessed Family Departments would like to invite all matched couples, already married couples who are prepared to receive the Cosmic Blessing, and those who are qualified for the single-person Blessing to the next Cosmic Blessing to be held on True Parents' Holy Wedding anniversary.

Late last year, we all thought that there would not be a Cosmic Blessing this year. Now, we have the incredible opportunity to receive the Cosmic Blessing directly from True Parents in Korea. This will be a great time of celebration as we also celebrate Heavenly Parent's Day and True Parents' Day. In this special time in the providence as we prepare for the opening of the Cheon Won Gung, we are all being called to Korea to experience our beloved True Parents' love in person. Therefore, there will not be any satellite blessings. If finances, visas, or legally leaving your country are an issue, please contact your local or national BFD leader. The EUME office is offering travel grants on a case-by-case basis.
