

The Value of True Parents from the Viewpoint of Heaven's Providence

Introduction
Dr. Dieter Schmidt

PRESENTATION OF THE TRUE PARENTS CHRISTOLOGY TO THE EUME REGION

20TH OF MARCH 2024

**Based on the lecture of Oh Taek – Yong
Prof. of Theology at Sun Moon University**

I. Why We Must Proclaim the Only Begotten Daughter

A. What are our Core Beliefs?

1. Heavenly Parent is **one being**.
2. Heavenly Parent and True Parents are **one**
3. True Father and True Mother are **one**.
4. True Parents are eternally **one entity**.

B. Why does Mother proclaim she is the Only Begotten Daughter?

- 1) Through the **alternative name** of the “Only Begotten Daughter” Mother wants to tell the story of the **hidden Heavenly Mother**
- 2) To attend God as our **Heavenly Parent**
- 3) To restore the understanding of Heavenly Parent’s **heavenly authority**
- 4) To reveal the **truth of the providence**

**II. True Mother,
The Only Begotten Daughter
at the First Coming,
Born after 6,000 Years**

The providence of salvation is to send the

Only Begotten Son and the Only Begotten Daughter.

- 1) God heard fallen humankind crying out for salvation.
- 2) God wanted to send the Only Begotten Son and Daughter **at the same time.**
- 3) After 4,000 years of toil, God sent the **Only Begotten Son**, Jesus.
- 4) The chosen people of Israel were unable to prepare the right environment to welcome the Only Begotten Daughter.

The **place of the Only Begotten Son** remains in the **Garden of Eden**

- 1) Jesus was unable to fulfill his mission on earth and died on the cross.
- 2) Unlike Adam, Jesus did not succumb to temptation or sin.
- 3) Even though Jesus died, the significance of his role as the only begotten son remains in the Garden of Eden.
- 4) The victory that Jesus established through his 33 years of life continues to be a strong foundation.
- 5) It is not necessary for another Only Begotten Son to be born.
- 6) The Messiah at the Second Coming is the one who inherits the foundation of Jesus, the Only Begotten Son, and completes the mission.
- 7) The Returning Messiah refers to the Messiah at the Second Coming, not the First Coming.
(June 14, 2016)

What is the mission of the Returning Messiah?

1) The Messiah at the Second Coming comes to fulfil the foundation of the providence of restoration that Jesus was unable to complete.

- Until the time of Jesus, God's presence was established on the foundation of the fundamental providence achieved by those who were victorious on Heavenly Parent's side.

- The returning Lord will find the bride that Jesus could not and together they will become the True Parents, bringing salvation to all people.

2) Sun Myung Moon was recognized by Heaven as the Messiah at the Second Coming.

- God led him to walk the path of preparation for the Returning Messiah. He orchestrated the providence to bring him to encounter the Only Begotten Daughter, unite them in Holy Wedding, and establish them as the True Parents.

True Mother's Position

- True Mother is the Only Begotten Daughter at the First Coming, born after 6,000 years. (September 22, 2023)
 - The Only Begotten Daughter is a unique woman, who can receive Heavenly Parent's love first.
 - She is the only woman, who can receive all of Heavenly Parent's first love.
 - As a daughter she is directly connected to Heavenly Parent by lineage...
 - She is the unique and only woman born with her roots in Heavenly Parent.

**III. True Mother, the Only
Begotten Daughter, is the central
Pillar for the Completion of the
Providence**

How does the central pillar for the completion of the providence appear?

- The central pillar for the completion of the providence appears, when Heavenly Parent and humanity live together as one.
- It is a place where True Parents, who have become one with Heavenly Parent, manifest as the True Parents of Heaven, Earth, and Humankind.
- In this place, the True Parents multiply an unlimited number of children and live together with them in unity.
- It is a place where the oneness of Heavenly Parent, True Parents, and their children on earth is fully realized.

The year 1960 was the year when Heavenly Parent could finally begin the long-awaited earthly providence. The 16th day of the 3rd month (by the lunar calendar) in 1960 **was to be the day when Heavenly Parent and True Parents became one....**

In 1960 True Parents began a 53-year marathon in relation to the world. We have worked continuously and tirelessly to embrace the world, an indescribable and unspeakable struggle during which we shed blood and tears.

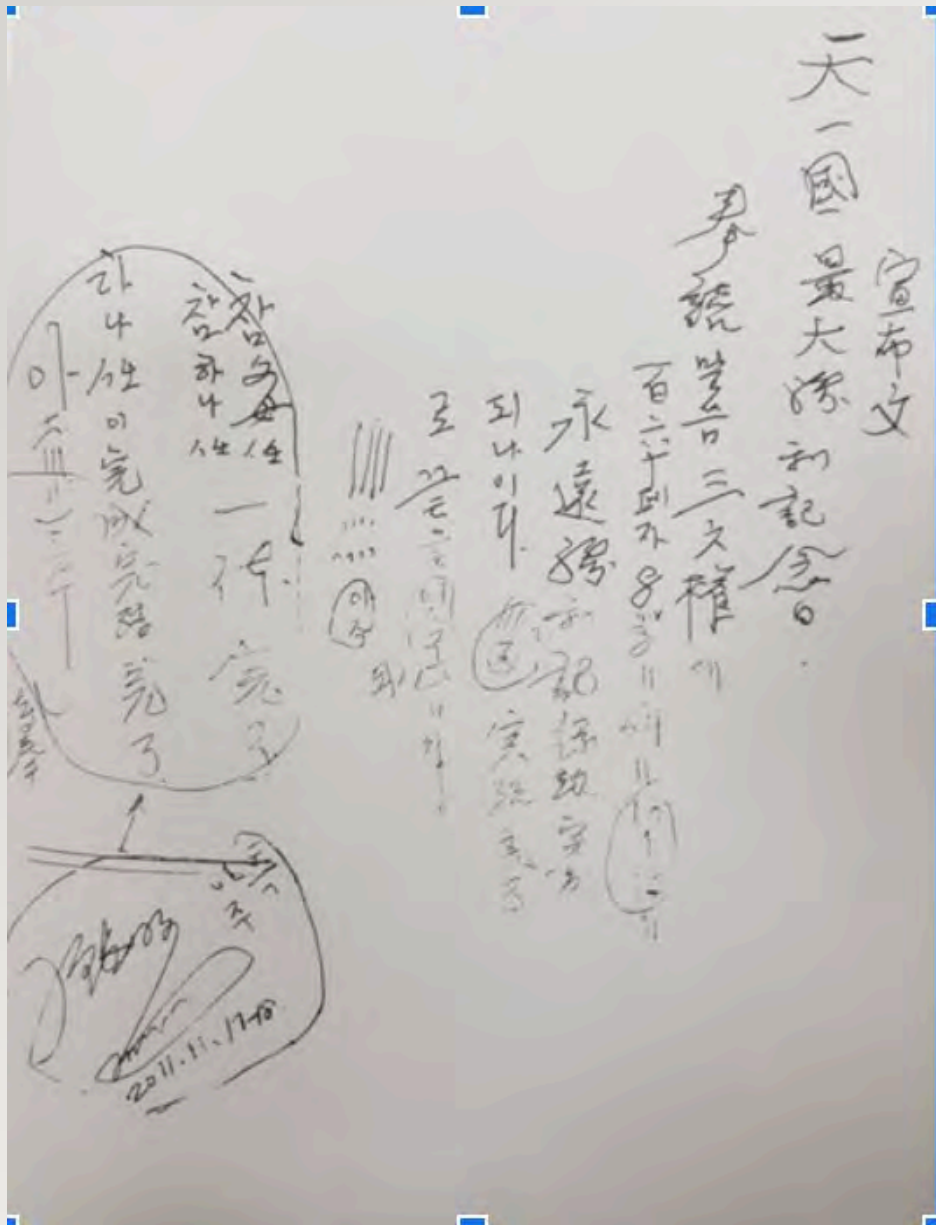

True Mother, May 8, 2020

Who is the central pillar in the **course** of completing the providence?

1. True Parents **jointly** led the providence of the **wilderness era**.
2. **Until Foundation Day**, True Father led the **external aspect** of the main providence.
3. **True Mother** maintained her position **internally** as the **central pillar** for the completion of the providence.
4. A **special declaration** was made during the course of the marathon geared toward national restoration.

The special declaration was the declaration of the era of the True Parents of Heaven, Earth and Humankind.

- In 2010, at 2:20 a.m. on **May 8** and 3:25 a.m. on **May 15** by the heavenly calendar, centered on God, the True Parents of Heaven, Earth and Humankind made special proclamations in Las Vegas, USA.
- Now, the True Parents have **achieved ultimate unity** as a couple, based on the standard of completion, consummation, and conclusion, and have dedicated and declared the era of God's full embrace, complete immanence, full authority and omnipotence.

Declaration of the **completion of the unity** of True God and True Parents

God's providence has undergone a great **transformation** since **Foundation Day**.

- 1) **Heaven** asked True Mother to open the gates to Cheon Il Guk (September 22, 2023)
- 2) True Mother has determined to complete the providence **in her time**.
- 3) Mother hastened the global restoration of **7 countries**, **7 religious orders**, and **a continent**.
- 4) Mother proclaimed the **firm establishment of Cheon Il Guk**, of which people had always dreamed. (February 6, 2020)
- 5) Mother founded **Heavenly Parent's Holy Community**, which can embrace all of humankind.

.

The birth of the **Only Begotten Daughter** made it possible to complete the providence.

- 1) The birth of the Only Begotten Daughter brought **the end of the New Testament era.**
- 2) With the appearance of the Only Begotten Daughter and True Parents in oneness, **the Completed Testament era** providence unfolded. (August 28, 2018)
- 3) God's **6,000-year** long providence of salvation **ended.**
- 4) It was the moment of **transition to a new era** creating a new history.

**IV. Having the Attitude to
Attend True Mother,
the Only Begotten Daughter**

Attending True Mother also means recognizing the value and significance of the feminine aspect of divinity. It is through the unity of Heavenly Parent and True Mother that the fullness of God's love and parental heart is manifested. By attending True Mother, we honor and embrace the feminine qualities of compassion, nurture, and wisdom, which are essential for creating a world of peace and harmony.

In summary, having the attitude to attend True Mother, the Only Begotten Daughter, involves recognizing her as the central figure in the providence and aligning one's heart and actions with her guidance and teachings. It also means embracing the value of the feminine aspect of divinity and the qualities it brings to the realization of Heavenly Parent's dream.

What is our attitude toward **the new words**?

Heaven's revelation is progressively announced **according to the progress of the providence.**

The proclamation of new truth is anticipated in the **Introduction** and the content on **The Last Days** in *Exposition of the Divine Principle*.

“The words proclaimed on these pages are **only a portion of this truth**. This volume is merely a compilation of what his disciples have hitherto heard and seen. We believe and hope that **when the time is ripe, more profound portions** of the truth will be published.”

(Exposition of the Divine Principle page 12 [English])

The authority of True Parents' words

- 1) In the Cheon Il Guk era, Heavenly Parent and True Parents **cannot be separated.**
- 2) There is **no need to separate** Heavenly Parent and True Parents.
- 3) The words before the Holy Wedding are the **teachings of the Master,**
- 4) The words spoken after the Holy Wedding are **the teachings of True Parents,** and
- 5) The words spoken after Cheon Il Guk Foundation Day are **the teachings of the True Parents of Heaven, Earth and Humankind.**
- 6) The teachings of the True Parents of Heaven, Earth and Humankind are being proclaimed **through True Mother.**
- 7) True Mother proclaims **new teachings** suitable for the Cheon Il Guk era.

The realm of the heart, that was looking for a small needle

- 1) True Mother's realm of heart right after True Father's Ascension: **"I am the only one left!"**
- 2) There was no one with whom Mother could discuss Heaven's providence.
- 3) The **six months** leading up to Foundation Day were a desperate time, like searching for a needle **alone** in the dark.
- 4) "I had to find one needle in a barren desert engulfed by a sandstorm."
- 5) Who is that **one needle**?
- 6) **"I am a child who can become one with True Mother, the Only Begotten Daughter!"**
(November 9, 2023)
- 7) Even now, Mother is looking for that one little needle.

It is important for us to approach the Word and the providence from the perspective of the Cheon Il Guk era. Until now, we have understood Heaven's providence centering on Jesus (the Only Begotten Son), and the Messiah at the Second Coming. From now on, let us study the Word and the providence from the perspective of True Mother, the Only Begotten Daughter.

When approaching the Only Begotten Daughter at the First Coming, who is the central pillar of Heaven's providence, we can understand the Word and providence on a higher level. What is the greatest wisdom for living in the Cheon Il Guk era? It is understanding the Word and the providence from the perspective that True Mother, the Only Begotten Daughter, is the central pillar for the completion of the providence. More specific details will be explained in the ensuing presentations.
