A religious painting depicting Jesus Christ seated on a rock, gesturing with his right hand towards a group of people seated around him. Jesus is wearing a white tunic and a brown cloak, holding a small white object in his left hand. The group consists of men and women in traditional robes, some looking at Jesus with attentive expressions. The background shows a vast, hazy landscape with mountains and a bright sky. The overall tone is serene and instructional.

“For God so loved the world that he gave his **Only Begotten Son**, that whoever believes in him shall not perish but have eternal life”.

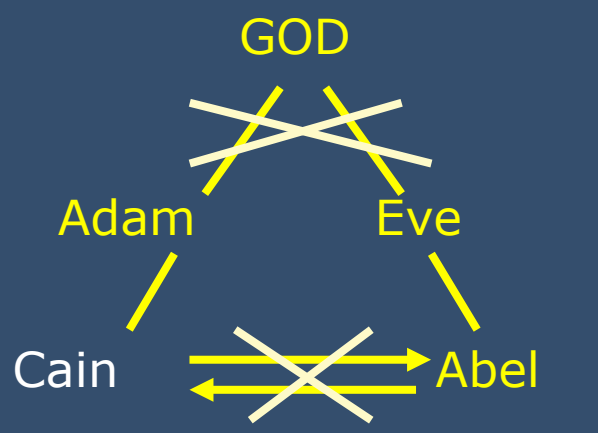

JOHN 3:16

Don't be afraid Mary!

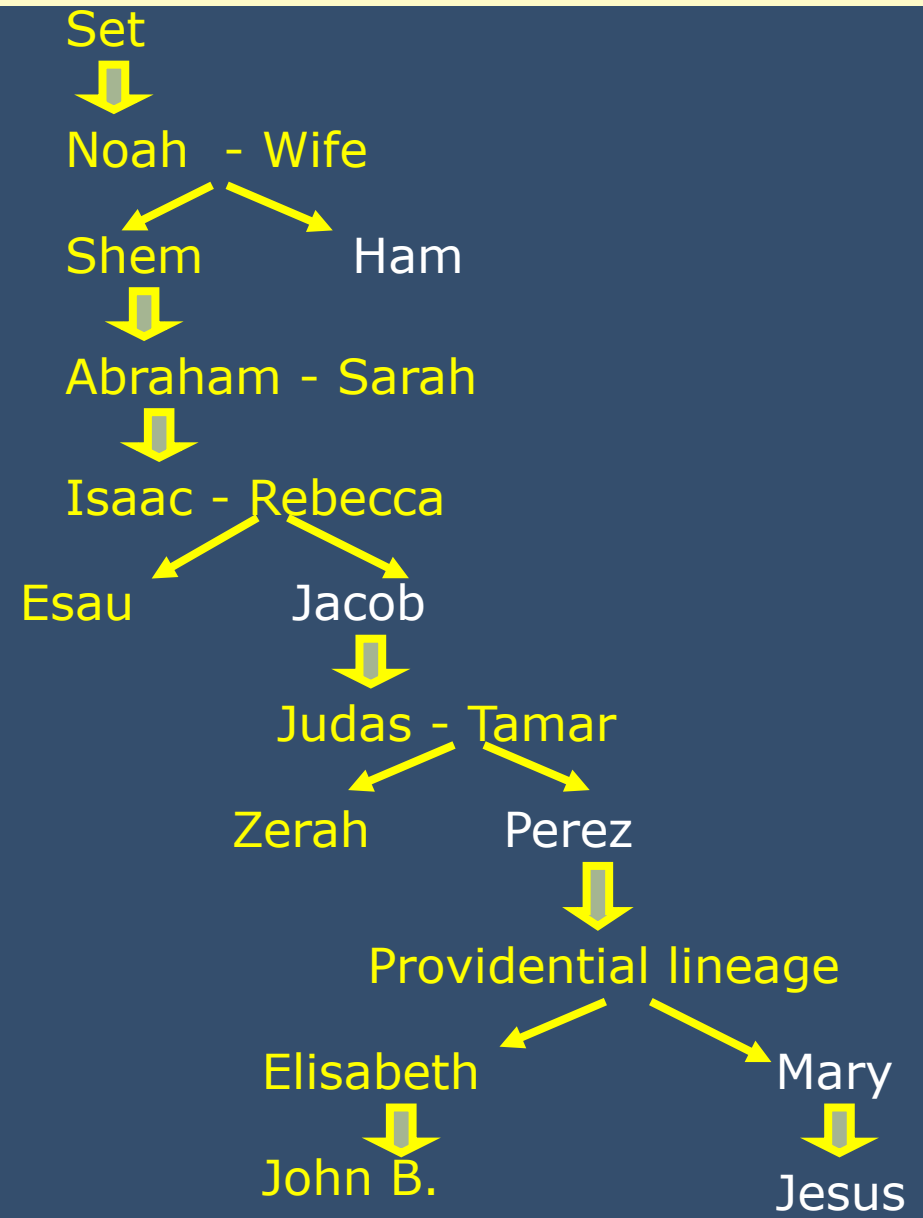

"Do not be afraid, Mary; you have found favor with God. **You will conceive and give birth to a son,** and you are to call him Jesus. He will be great and will be called the Son of the Most High. The Lord God will give him the throne of his father David, and he will reign over Jacob's descendants forever; his kingdom will never end." Luke 1:30-33

The blood lineage of Jesus was generated through the cooperation between God and chosen men and women

Predestination of the Way in Which God's Will is Fulfilled

God's Will Absolute

Purpose of Creation
(Providence of Restoration)

Predestination of the fulfillment of God's Will: Conditional

Is the Providence for the Messiah and True Parents, following the same Principle? Yes, because True Love requires Freedom and Responsibility. This is God's absolute Will.

The meaning of «only begotten» (“Generated”)

- Jesus was born with a special destiny. Still he had to overcome many trials and take responsibility as it is showed in his prayer in the garden of Gethsemane. **“Father, if you are willing, take this cup from me; yet not my will, but Yours be done.”**
- He was the “Only One” carrying God’s Lineage. His **primary destiny** was to fulfill his marriage and share the Heavenly lineage with the new reborn mankind.
- He was crucified and so he had to go **a secondary course** and remained the **“Only Begotten Son”**.

Jesus' Victory through his own freedom and responsibility

Over his life's trials

Over the lack of tribe' support

Over the betrayal of disciples

Over the failure of the chosen people

Over the feeling to be abandoned even by God

The Victory of the true son of God

The Victory of True Love over death

Opening the Realm of Resurrection

What about mankind?

- **Before Jesus:**
 - “You belong to your father, the devil, and you want to carry out your father’s desires”. John 8:44
- **After Jesus:**
 - “If anyone would come after me, let him deny himself and take up his cross and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will find it. For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?”. Matthew 16: 24-26

What is the mission of the Returning Messiah?

Pyeong Hwa Gyeong, 126

- He comes to complete the foundation of the providence of restoration that Jesus couldn't complete.
- The Returning Lord will find the bride that Jesus could not, they will become the True Parents, and save all people.
- Heaven called Sun Myung Moon as the Messiah at the second coming, brought him to walk the path of the returning messiah,
- God worked the providence to bring him to meet the Only Begotten Daughter, brought them to celebrate their holy wedding, and to emerge as the True Parents. (June 5, 2016)

Could Father
inherit Jesus
mission by just
being born?

Was enough meeting Jesus?

The Path to Inherit Jesus' course...and go over it

Father, you walked the messiah's path, going beyond death again and again, in the shoes of a servant, shedding blood for heaven, bearing Heavenly Father's heart. You turned over your body to Satan, descending even to the bottom of hell to save mankind, to save the world, to save the nation.

AND HIS BRIDE HAS MADE HERSELF READY". REV.19:7

4. True Mother, the Only Begotten Daughter at the First Coming, Born after 6,000 Years

The Cheon Il Guk era is a time when the original ideal world of creation must be established. It must begin with a clear understanding of who True Mother is. Through True Mother's heart, we need to learn more deeply about the process leading up to the Holy Wedding, including True Mother's birth and course of maturation, with which we had not been familiar until now.

We believe with happy expectation that, as time goes on, deeper parts of the truth will be continually revealed.

Mother's determination to participate in the Holy Wedding

There must be a mother on this earth who is in the original position and has not fallen. In other words, there must be an original mother who has not entered into the fallen love relationships of the evil bloodline. There has been no such mother.... The bride that the Lord, the Bridegroom, seeks on this earth is not a bride of the fallen realm. He is looking for someone who was born with pure, uncorrupted lineage.

[Grandmother Cho] was unlike the mainstream Christians within this short history who were waiting for the Messiah to return on the clouds. Her family prepared and waited for the returning Messiah to come in the flesh. According to Father, the person to become **the mother of the universe must come from a family with three generations of only one daughter.** True Mother, November 21, 2013

“I have lived a rigorous religious life since I was young. I had a **dream I kept in my heart. It was to **liberate God**, who has worked throughout history to save **humankind**.”**

“I knew from a young age that God is my Father, and naturally connected everything I read to God. I cut off entirely from the harsh secular world and lived a chaste life as if I were a nun. **I was aware that a higher power was guiding me, that my path had been prepared in Heaven. Especially during this time, the Bible was my close companion. I cried myself to sleep many nights after reading about God’s history of creation, the tragic Fall, and God’s work of salvation carried out through historical figures who took responsibility at the behest of Heaven.**”

This is now the Cheon Il Guk era. The course of the wilderness era is in the past. We must create a new history and new culture in a new era, and I have been creating these in various ways.... It is the only begotten Daughter who brings the providence to completion. **It is completed through the only begotten Daughter, True Mother, Wang Omma [“Great Mom”].**

Mother's determination to participate in the Holy Wedding

For the salvation of all of humankind and realization of a world of peace, I determined myself and declared before Father Moon that I would rise to the position of the True Parent. I accepted Father Moon as **the only begotten Son** for the accomplishment of our Heavenly Parent's will. It was God's call to me to become **the heavenly bride** and **the Mother of the universe**. I knew that my path would be unimaginably difficult. Yet I pledged I would live for God and **absolutely fulfill my mission** to save the world.

True Mother's Memoir p. 80

God's providence has undergone a great transformation since Foundation Day.

1. **Heaven** asked True Mother to open the gates to Cheon Il Guk (September 22, 2023)
2. True Mother has determined to complete the providence **in her time**.
3. Mother hastened the global restoration of **7 countries**, **7 religious orders**, and **a continent**.
4. Mother proclaimed the **firm establishment of Cheon Il Guk**, of which people had always dreamed. (February 6, 2020)
5. Mother founded **Heavenly Parent's Holy Community**, which can embrace all of humankind.
6. True Mother is going to open, in 2025, the Cosmic Final Temple where God and Mankind will meet directly for the first time after the Fall, **the Cheon Won Gun**.

B. One small needle that True Mother, The Only Begotten Daughter, is Seeking

1. While True Mother, the Only Begotten Daughter, is on earth

- While True Mother is on earth, she must see the completion of the providence. (September 23, 2023)
- This is **a golden era** when Heavenly Parent can work directly through True Mother.
- This is **a golden era** when Heavenly Parent is with us through True Mother. (June 1, 2023)
- Heavenly Parent can speak **directly** to his/her children and live with them.
- This is an era when we can experience miracles when we become absolutely one in heart with True Mother.
- Now is the time of the completion of the providence when **everything is sorted out on earth** through the cooperation of the absolute good spirits.
- The era of the absolute good spirits **occupying the earth** is approaching.

Jesus, True Father and True Mother are still the «Only» Begotten?

- “For those God foreknew he also predestined to be conformed to the image of his Son, that he might be **the firstborn among many brothers and sisters**. And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified”. Rm 8:29-30
- The Spirit himself testifies with our spirit that we are God’s children. Now if we are children, then **we are heirs—heirs of God and co-heirs with Christ**, if indeed we share in his sufferings in order that we may also share in his glory. Rm 8:16-17

A. True Mother's words are the words of the Cheon Il Guk era

- **We must accurately understand the relationship between True Parents and the blessed families.**
- It is not a relationship between spiritual parents and spiritual children. It is the relationship between parents and children **connected by heavenly lineage.** (October 7, 2023)
- All blessed families are comprised of **sons and daughters** whom True Parents love. (October 7, 2023)
- Mother expects us to attend True Parents with an **absolute standard, with no shadows as children of True Parents.**

Generated by True Parents

We don't belong anymore to the false "father the devil"! We are
«**Begotten Sons and Daughters of the Heavenly Parent**»

JESUS IS THE «FIRST BEGOTTEN SON», TRUE FATHER IS THE RETURNING LORD THAT INHERITED HIS POSITION, TRUE MOTHER IS BORN AS «ONLY BEGOTTEN DAUGHTER» AND BECAME "MOTHER OF THE UNIVERSE" AND THE "FIRST BEGOTTEN DAUGHTER". WOMEN AND MEN ARE LIBERATED AND REBORN. NOW TRUE HEAVENLY COUPLES CAN APPEAR AND ESTABLISH THE KINGDOM OF HEAVEN.

The place where the central pillar for the completion of the providence manifests

It appears at the **center of the cosmos**, where God and humans have become one. (Exposition of the Divine Principle)

The center of the cosmos is the place where God and True Parents become one. (Exposition of the Divine Principle)

From the moment the central pillar for the completion of the providence appears at the center of the cosmos **...life in the Kingdom of Heaven on earth**, where the ideal of God and human beings united in love is completed, will begin.

The declaration of the era of the True Parents of Heaven, Earth and Humankind.

In 2010, at 2:20 a.m. on **May 8** and 3:25 a.m. on **May 15** by the heavenly calendar, centered on God, the True Parents of Heaven, Earth and Humankind made special proclamations in Las Vegas, USA.

Now, the True Parents have **achieved ultimate unity** as a couple, based on the standard of completion, consummation, and conclusion, and have dedicated and declared the era of God's full embrace, complete immanence, full authority and omnipotence.

Now **God's nation and hometown is Korea**. By announcing Korea as God's homeland, the **“Cosmic Assembly where the True Parents of Heaven, Earth and Humankind, as God's Embodiment, Proclaim the Word”** will also be completed in Korea.

NO TRUE PARENTS? NO KINGDOM!!!

**They are our roots
and the Gate to the Heavenly Kingdom for all mankind!**
