

Accommodations in Korea during Foundation Day

Michael Balcomb
February 5, 2013

Dear District Pastors and Community Leaders,

Following is a memo sent today to those registered for lodging in Korea during the Foundation Day events. It explains that accommodations have changed from The-K Hotel Seoul to the Central Training Center in Guri City.

Please review the memo so that you can assist members in your communities if they have questions.

Thank you.

Rev. Rendel

February 4, 2013

Dear Travelers to Korea for Foundation Day,

Thank you for preparing to attend the historic Foundation Day events in Korea and for using the online information form in the Foundation Day website at <http://www.foundationday.unification.org/>.

We are announcing an important change in the accommodations plan for our USA group. The special arrangement with The-K Seoul Hotel was based on a room block of 400 guests. Currently, we have 87 guests from the USA and we do not expect this number to increase much more. Therefore, The-K Seoul Hotel is no longer available for our group and will now be used at full capacity by members from Japan.

We are offering an alternative plan. Our USA guests can now stay at the Central Training Center in Guri City outside of Seoul during the nights of February 20-February 24 (five nights). The fee per person is \$100.00 for any number of nights during the period (for one night up to five nights). This does not include meals but many inexpensive markets and restaurants are located nearby. The contact information is:

*Central Training Center
437-45 Sutaekdong
Gur-si, Gyeonggido, Korea
Telephone: 82-31-553-4355*

Transportation to the Central Training Center will be provided at no cost from Incheon and Gimpo Airports as well to Chung Pyung for the Foundation Day events. The facility will also be used by other overseas' members.

Sleeping will be in clean rooms on mats in the traditional Korean fashion. A number of members will share each room. Clean bathrooms and showers are provided in the facility.

In order to adjust your accommodation to the new plan, we ask you to do the following right away:

- 1. Respond back to this e-mail and acknowledge that you understand the change in the accommodations plan.*
- 2. Visit the KOREA TRAVEL page on the Foundation Day website at <http://foundationday.unification.org/travel-plan-for-participation-in-foundation-day-february-22-2013/> and complete the form again with your new accommodations selection.*
- 3. Pay the new accommodations fee of \$100.00 through PayPal or select payment by check.*
- 4. We will reimburse your initial payment for The-K Hotel 100% and charge you only for the new accommodations fee of \$100.00.*

We apologize that we were required to make this change. Please make your adjustment right away so that we can continue to assist you.

*Thank you.
Foundation Day Support Team*
