Appointment of Naokimi Ushiroda as CARP USA President

Michael Balcomb
July 15, 2013

Dear Brothers and Sisters,

I am delighted to inform you that Mr. Naokimi Ushiroda has been appointed as the new President of CARP in the United States, in accordance with a resolution passed by the CARP Board of Directors on Friday July 12th.

Just prior to this, Naokimi was invited to Kona, Hawaii, where he met with True Mother and Bishop Ki Hoon Kim. She outlined to them both her wider vision and strategy for outreach to students and to major campuses throughout the United States.

I look forward to fruitful cooperation with Naokimi and the entire CARP organization as we work together to realize the 2020 vision here in the United States. Please join me in congratulating and supporting Naokimi and his family in these new and important responsibilities.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Balcomb', written over a light grey rectangular background.

Dr. Michael Balcomb
President
