

Sarasota, Florida Family Church's Special Grace Ceremony

Georg Beutl
August 14, 2016

The Sarasota Family Church conducted the Special Grace Ceremony on August 14 with 9 individuals present. Beginning with Holy Songs to uplift the atmosphere followed by a prayer by Rev. Beutl and explanation of the meaning of the Special Grace. The ceremony was very inspiring and positive. All participants worked hard to prepare themselves to receive the Holy Wine and humbly made a new commitment to make a new start and strive for True Mother's Vision for 2020.

“During the ceremony, I could really feel the love and embracing heart of God and True Parents as we were receiving the Holy Wine. I could feel how much gratitude there was in just our small community. It was such a moving experience to receive this grace from God and True Parents.” – J. Beutl
