As True Mother makes her way to Senegal for the [First Africa Summit](#), she took the time to visit Manhattan Center, the New Yorker Hotel, and the National Ministry Team. During her visit, she personally met and blessed every department, visiting every office and encouraging the staff to bring success for 2018. It was an unexpected blessing, filled with joy, singing, and True Mother's love.

Meanwhile in Senegal, Unificationists have gathered to welcome True Mother back to Africa. Dr. Michael Balcomb, the Regional Chairman of FFWPU Europe and Middle East and formerly the FFWPU USA President, led the Sunday Service in Dakar yesterday.
