

## National Prayer Condition March 23 – May 1, 2018

Ki Hoon Kim and Richard Buessing  
March 23, 2018

Dear Pastors, Community Leaders, and Blessed Families,

Thank you for all your sincere efforts to further Heavenly Parent and True Parents' Providence. We've just celebrated some of our movement's major Holy Days, Heavenly Parent's Day, True Parents' Birthday, and the 5th Anniversary of Foundation Day. Many of our leaders attended the events in Korea, and many joined through the Internet. We are truly grateful to True Parents for the special opportunity of celebrating these events together with them.

Last week, our national leadership gathered for the annual conference – Famicon 2018. This year we had a unique experience of spending three days immersed in True Parents' Life Course through the lectures of Rev. Masayuki Kachi, who came especially from Japan to give these lectures to the American leaders. It was a great time of renewal for our spirits and connecting the thread of the entire providence until today, when True Mother is boldly leading us to the substantial Cheon Il Guk.

We felt America was particularly Blessed, as True Mother visited the leaders at the end of the conference, and addressed all of us directly. True Mother was as clear as ever. She said we are now at the era of Cheon Il Guk and our responsibility is to fulfill the mission of the Heavenly Tribal Messiahs. To read True Mother's full speech, please visit the [familyfed website](http://familyfed.com).

From tomorrow, March 23, there are 40 days until True Parents Holy Wedding Anniversary on May 1. On April 29, True Mother will visit Vienna, Austria and will speak to many members and guests. This will be her first major appearance in Europe, just toward the end of the 40-day period.

We'd like to invite you all to join our National 40-Day Condition of Prayer and Hoon Dok Hwe, as well as the weekly national prayer calls that take place every Wednesday at 9 p.m. EST. Please see the attached summary for suggested prayer points.

Let us continue to work together and fulfill our mission as Tribal Messiahs to bring victory in America and the world, and to bring joy and delight to our Heavenly Parent and True Parents.

God Bless you and your families,

Dr. Ki Hoon Kim  
Regional Chairman

Rev. Richard Buessing  
President
