Family Federation for a Heavenly USA Hires New Communications Director

New York City, NY (July 10, 2018) – Family Federation for a Heavenly USA is pleased to announce the hiring of Mrs. Nancy Jubb as Communications Director for the newly formed Hyojeong Culture Department. Nancy will set and guide the strategy for all communications, and public relations messages and collateral to consistently articulate the mission of Family Federation.

“We are thrilled to have Mrs. Jubb join our staff at our headquarters in New York,” said Rev. Richard Buessing, President, Family Federation for a Heavenly USA. “She’s a natural with the media, and works well with people from all walks of life. When she’s not experimenting with new social media apps or facilitating local marriage enrichment programs, she’ll be doing wonders for promoting the message of our founders Rev. and Mrs. Sun Myung Moon, our True Parents.”

Nancy graduated from Birkbeck College, University of London in the United Kingdom and has a degree in Journalism and Media. Prior to accepting this position, she served as an independent communications consultant for two years. Her most notable work won several awards from the U.S. Department of State for social media at the U.S. Embassy in London. Nancy brings experience and a proven track record of success in the media and public relations area, which will be invaluable in meeting the departmental goals and objectives.

“My personal passion for marriage and family enrichment comes from being a second generation member of Family Federation. I strongly believe in the ideals that this organization stands for: family, peace and unification because they are the same ideals that I was raised with. I’m confident that I’ll be able to help bring positive brand awareness to a new generation of Americans.”
