

## Peace Starts With Me at Nassau Veterans Coliseum on November 12!

Ki Hoon Kim, Richard Buessing and Demian Dunkley  
October 9, 2018

Dear Families,

We are now 5 weeks away from the dawn of a totally new era, not just for our movement, but for America and the world. [This is not just another rally.](#) This is our initiative, our Hyojeong offering to True Parents... So that True Mother will be welcomed by Christianity and America on the world stage.

Preparations have been months in the making. With more time in preparation, we have been able to drastically reduce costs. However, our savings have not affected the quality of the program we have designed for everyone. This may turn out to be the most impressive experience of our life of faith.

Yes, it is a public event. Yes, tickets are being sold for up to \$250. Yes, [tickets are selling...fast.](#) We are determined to offer these proceeds as a gift to support True Mother's work in Africa. We feel this is our responsibility as the elder son nation to support the world. This also means we are taking full financial responsibility for all costs for the event.

Local church communities from Subregion 1 have already contributed \$190,000. And as mindful as we are about the various budget items and outreach costs, we realize we need your help.

We invite you to make your monetary offering in support of these efforts. Please consider a contribution of \$700 or \$1200, however any amount you can give will be greatly appreciated. Make a donation today through the Family Federation [website.](#)

You can also support by joining the daily [National Prayer Call](#), every day at 9 p.m. EST, for a short 12-minute update and prayer to keep our hearts united with True Parents and our efforts spiritually protected.

Stay up to date with all the exciting developments on [familyfed.org](#), and connect with you pastor for outreach materials to invite your guests. Let us all join in this effort and offer Heavenly Parent and True Parents our sincere heart and dedication.

God Bless you and your families,

Dr. Ki Hoon Kim  
Regional Chair

Rev. Richard Buessing  
President

Rev. Demian Dunkley  
Vice-President  
Director, Subregion 1
