Preparation for the 5th Anniversary of True Father's Seonghwa - Special Condition and Donation

Ki Hoon Kim and Richard Buessing
August 11, 2017

Dear Brothers and Sisters,

As you know, we are in the midst of a National 40-Day Condition to prepare for the 5th Anniversary of True Father's Seonghwa, which will take place on September 7.

This year, the commemorative events will include the Seonghwa Anniversary Celebration, the Cosmic Blessing Ceremony officiated by True Parents, the HyoJeong Culture Festival and the International Leaders Assembly.

In addition, True Mother called for a very important conference to take place, and invited 200 American Clergy to join Korean and international religious leaders to discuss religious peace initiatives to support the reunification of North and South Korea. We are proud that with the recent victory at MSG, American clergy are standing with True Parents and are pledging to go to Korea to testify to other religious leaders. Let us all pray for the success of this great initiative.

It's not too late to join the national condition that started on July 29. We encourage all families and individuals to join us in this special condition. You can learn more about it online at: [National 40-Day Prayer Condition](#).

We would also like to encourage everyone to continue our precious tradition and make an offering of love and gratitude in memory of our dear True Father. Our suggested donation is \$300, and of course, all donations are appreciated and will be gratefully received. To make your offering, you can visit our website in the following link: [5th Seonghwa Anniversary Special Donation](#), or give at your local church.

Let us join in making a great condition and offering to Heavenly Parent and True Parents at this special time. We sincerely thank each and every one of you for your efforts and investments in furthering Heavenly Parent's providence and directly contribute to America's victory.

God Bless you and your families,
