Dear Pastors, Community Leaders, and Blessed Families,

Thank you for all your investment and efforts leading up to the successful celebration of the 5th Anniversary of True Father's Seonghwa and the Cosmic Blessing Ceremony. We deeply appreciate your participation and support.

We had a very successful conference in Korea with ACLC pastors, who were moved and inspired by True Mother. We are grateful to True Parents for their investment in America and American religious leaders, particularly American Christianity. It has been True Parents' desire that America stand up as the elder son nation and support the worldwide Providence.

On November 11, 2017, True Mother will speak at a special rally in Korea with 70,000 people, including an American delegation of religious leaders. During October, True Mother will be speaking in Japan in several rallies. As the elder son nation, we want to offer our commitment in the next 40 days with a national condition for the victory of True Parents.

Let us then join together in a National 40-Day Prayer condition starting from Monday, October 2, until Friday, November 10, just before the historical rally takes place in Korea.

We would also like to continue the successful weekly national prayer calls that helped us connect nationwide in one heart as one family. These will take place every Wednesday at 9 p.m. EST, starting next week, October 4. Please see attached a summary of the national 40-day condition with suggested prayer points.

We have witnessed the power of prayer and a strong national condition that brought a great victory in Madison Square Garden, and we look forward to continue praying together with you to support America and the world, to realize our national goals for Vision 2020, and to bring joy to our Heavenly Parent and True Parents.

God Bless you and your families,

Dr. Ki Hoon Kim  
Regional Chairman

Rev. Richard Buessing  
President
