

## Invitation to Join UTS-Online

October 2, 2017

Dear Brothers and Sisters,

A new and exciting era has arrived at UTS with the unveiling of two online courses set to debut on October 16. This gives anyone who is unable to attend classes at a UTS campus in New York the opportunity to take full advantage of UTS education no matter where you live or work. UTS-Online enables you to fit graduate-level study into your own schedule, engaging with our faculty and fellow students from around the world.

Our True Parents have long been great believers in online education. Twenty years ago, True Father predicted that the Internet would transform education worldwide. FFWPU has been strongly encouraging UTS to develop online distance learning programs for its American leadership and for the global movement, as a way for America to serve the world. Now, we are pleased to support the Seminary's online launch.

For the first time, people worldwide will have the opportunity to interact remotely, from the comfort of their own homes and offices, with the profound thinking of knowledgeable and outstanding Unification scholars about Unification related subjects.

Two graduate level courses, "Divine Principle in Depth," and "Unification Apologetics in Practical Contexts," will be taught online during the Fall 2017 semester by two distinguished UTS professors, Dr. Andrew Wilson and Dr. Tyler Hendricks respectively. Dr. Wilson, the editor of World Scripture and one of the English editors of Exposition of the Divine Principle, will offer an advanced course on the Principle, equipping students with the analytical tools they need to deal with diverse opinions and faith styles. Dr. Hendricks, former President of HSA-UWC, UTS and founder of "True Parents Way," will introduce students to the discipline of apologetics, helping them understand the background of people's doubts, criticisms and accusations and how to share historically-based, Principled responses, both personally and publicly, and the heart with which to do so.

More information about the UTS e-learning initiative, how to apply, and details as to generous scholarship support can be found at [uts.edu/online](http://uts.edu/online).

We will be supporting UTS Online as Seminary trustees, and also in my case, Rev. Richard Buessing, as a UTS student. We look forward to meeting you online!

Sincerely,

Dr. Ki Hoon Kim  
Regional Chairman

Rev. Richard Buessing  
President
