Holy Scriptures Mini-Book Set

\$ 100.00

NOW AVAILABLE IN IN MINI-BOOK VERSION!

The Holy Scriptures is a set of three volumes of True Parents' messages—the *Cheon Seong Gyeong*, the *Pyeong Hwa Gyeong* and the *Cham Bumo Gyeong*—the *Cham Bumo Gyeong* being the latest volume.

Our NEW MINI-BOOK SET is exactly the same as the original (except for the size). People have asked whether they are readable, and our unscientific test says YES, the font is still a great size and highly readable.

The new size is 5.5x8 inches, and each book fits comfortably into any bag.

The ***Cheon Seong Gyeong*** is a collection of internal guidance given by True Parents.

The ***Pyeong Hwa Gyeong*** is a compilation of True Parents' messages on world peace given around the globe throughout their ministry.

The ***Cham Bumo Gyeong*** details True Parents' life course in their own words, going deeper into the meaning of True Parents' work and vision.

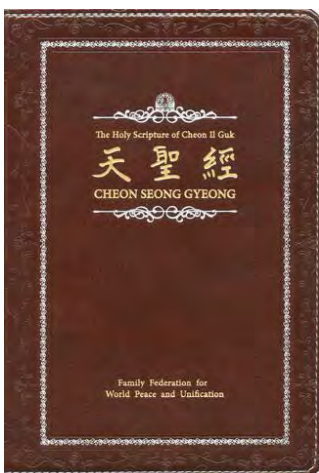

The Holy Scriptures constitute an unparalleled body of work for families to study as part of their daily devotion, what Unificationists call *Hoon Dok Hwe*. Many Unificationist families devote time to reading them early in the morning before they begin their daily routine. You can purchase the Holy Scriptures individually or as a set.
