Last week, Unificationists were pleased to welcome [True Mother in New York](#). During her short visit, True Mother expressed her wish for American Unificationists to fulfill their responsibilities and to translate their desire and love for the Heavenly Parent into a life of attendance.

Among these responsibilities is to fulfill Vision 2020, an initiative to actualize True Father's hopes and dreams by the year 2020. One of the primary goals for Vision 2020 in America is for a million Americans to receive the Holy Marriage Blessing Ceremony.

In her hopes to see American Unificationists succeed in fulfilling this responsibility, True Mother has restructured FFWPU-USA into five sub-regions. Each sub-region consists of a few districts.

Here are our new Sub-Regional Directors:

Demian Dunkley - Northeast Region

Ernest Patton - Southeast Region

David Rendel - Midwest Region

John Jackson - Southwest Region

Larry Krishnek - Western Region
