UNIFICATION MOVEMENT UK - A VISION TOWARDS 2020

The One True God is present in our nation, in our families and in our relationships.
A tipping point of 128,000 families acknowledge Gods active presence in their lives and pledge their love for God, Nation and Family every day.
They bring joy to God by practicing a life of service and care for others in their family, community, and workplace.

The Mission Statement:
We will get there by teaching people how to discover their divinity and personal reaching out in loving service

Spoke to a pastor friend in the school (they ground) about how church is arranged to join some of his activities meeting at HIS Church. Simon

DREAMSIZING - the first step in the process of achieving your dreams is to write them down. Write them down and you will have a clear picture of what you want. Write them down and you will have a clear picture of what you want. Write them down and you will have a clear picture of what you want.

Change your how the way you think about the world for a moment

SMART BUT NOT IN ALL!!

LIVE THE DREAM LEAVE YOUR DREAMY DREAMS OF CHILDHOOD

DON'T WORRY BE HAPPY

I signed to be a part of the mission and my mind was blown by the commitment of the 128,000 families who have signed up to the Unification Movement.

Do people share their goodness?

Expression for all ages...

- Currently limited capacity in UK UM
- Still not easy to really get involved
- How to let the truth set people free?
- How to establish a path where people can get trained?
- Have I articulated a practical plan that convinces people it is worth getting on board?
- A good vision illustrates a problem everybody identifies & reveals a compelling solution

My concerns:
