## Moscow Workshop Inspires Second-Generation Teens

*December 20, 2019*

A one-day workshop was held in Moscow on December 20 for Second Generation between the ages of 14 and 17 years old. Forty-five participants came from Belarus, Moldova and Russia to the Moscow Peace Embassy to hear words of wisdom from Rev. In Pyo Moon. During this short time the young people received vital guidance on finding their own core of faith, how to discover and develop their unique talents, and how and why to keep purity of love in a very practical and reasonable way. Since the workshop coincided with preparations for the Cheonbo event in Moscow on December 21 and 22, and some of the participants were on the Chanyang team, everybody had a chance to join a one-hour Chanyang practice. In the evening everyone was deeply moved by the heartfelt testimony given by Jeong-hye Yeom,

the leader of Youth and Students for Peace (YSP) for the Europe/Middle East region. She spoke about the struggles she has experienced in her life of faith and how she finally came to see them as blessings, and how she came to chose the way of full-time devotion to Heavenly Parent and True Parents. After the workshop everyone was truly uplifted and joined the Cheonbo event with this kind of spirit.

## **Однодневный семинар в Москве для детей второго поколения 14-17 лет**

*20 декабря 2019 г.*

Однодневный семинар для детей второго поколения 14-17 лет состоялся 20 декабря в Москве. Сорок пять участников приехали из Белоруссии, Молдовы и России, чтобы услышать слова мудрости от преподобного Муна Ин Пё. В течение этого короткого времени дети второго поколения получили жизненно важные советы о том, как обрести в себе ядро веры, как раскрыть и развить свои уникальные таланты, как и почему необходимо поддерживать чистоту любви очень практичным и разумным способом. Семинар совпал с подготовкой к мероприятию чонбо в Москве, и некоторые из участников были в команде чаньян, у всех была возможность присоединиться к одночасовой практике чаньян. Вечером всех глубоко тронуло искреннее свидетельство Ём Джон Хё, лидера YSP в Европе. Она рассказала о трудностях в своей жизни в вере и о том, что она воспринимает их как благословение в конце дня, а также том, как она пришла к выбору пути преданного служения Небесному Родителю и Истинным Родителям.

После семинара участники были воодушевлены и с таким духом присоединились к мероприятию чонбо.

# Elderly Estonians Receive Love and Blessing

*Olga Martinson - December 19, 2019*

FFWPU members in Estonia visited a nursing home in Tallinn, the capital, to help the elderly residents celebrate Christmas and New Year.

The December 19 event was organized by the Lüüra organization and our Ambassador for Peace Mrs. Arina Han. The old people living in this home have almost no relatives to visit them; that is why we decided to pay attention to them.

In the beginning everyone introduced themselves. Next, Mrs. Olga Martinson, the national leader of FFWPU, read aloud a beautiful Christmas poem. Then everyone drank a holy drink. Those who were lying in their bed received the holy drink in their room. A total of 40 persons received the Blessing.

After that there was a concert by the members of Lüüra, singing songs and reading poems that they themselves had composed. There was a joyful and sincere atmosphere, and everyone was satisfied and happy. It was a good experience of how to take care of elderly people.

# Christmas Cheer at Tallinn Peace Embassy

*Olga Martinson - December 22, 2019*

The Estonian chapters of FFWPU and UPF held a Christmas celebration on December 22 at the Peace Embassy in Tallinn. Blessed families and six other families took part in it. The purpose of the event was to get to know each other and spend time together as parents and children.

At first, Mr. Avo Martinson, the secretary general of UPF-Estonia, introduced the True Parents and their organizations the Family Federation for World Peace and Unification and the Universal Peace Federation. He explained about the goals and direction of these two organizations.

The host of the program was Tamara Apsolon, who told stories about Jesus and led interesting games for children and parents.

The event ended with a concert and an exchange of gifts.

During refreshments, Mrs. Olga Martinson, the national leader of FFWPU, led a toast for Christmas and everyone drank holy juice.

This event was joyful and useful in terms of new acquaintance and witnessing to new people about True Parents and their activities.

## **Workshop for Ukraine second generation kids**

*Mykhailo Ilin - December 25-29, 2019*

On December 25-29, forty two second generation kids of 7-13 years old took part in the workshop on applying DP in life. A big part was organized by few 14-16 years old SG. Like this our elder SG are learning to take responsibility and monitor their younger brothers and sisters. Elder SG, together with elder blessed families, were giving lectures, organizing HDH for few groups of kids, holding different cultural and sports activities. For all children it became good training to live public live, to follow the schedule and live according to traditions. Such workshops for second generation we have been holding already for few years regularly in winter and summer vacation time.

# Events in HTM field in Moldova

*December 26-27, 2019*

In late December, members in Moldova were active in giving the Blessing in villages.

The first of these efforts took place on December 26. Through the initiative and efforts of the Taub family, a Family Festival was held in Ciobanovca village of the Anenii Noi District. Three couples participated in three steps, together with 20 other participants who came to enjoy this special program.

In Costești village of the Ialoveni District, 20 couples participated in three steps of the Blessing at a Family Festival that was held on December 27. An additional 30 participants came to the event, including children.

The event was organized in partnership with the town hall of the village and the Association of Blind People of Ialoveni District. The mayor offered both the opening address and the closing congratulations to the participants. What made this event special was that a majority of participants were couples in which one or both are visually impaired. As they themselves said, it was a great event for a group of people who often feel isolated.
