Angels

Who are they? How do they relate to us?
How can they help us?

Join us for a FREE, interactive workshop to explore how to mobilize spiritual help from the angelic world. We'll examine traditional and modern concepts about angels, discuss their role in assisting us in our everyday life, and learn how to develop our own "Circle of Angels".

Rev. Claire Daugherty, an ordained minister, has visited over 40 cities in 32 countries since 2016 sharing this insightful, inspiring, and empowering information in Europe, Australia, and the Americas. Join us for an enjoyable, fast-paced, and uplifting event.
