

# Annual 24+ Singles Retreat Ideas Survey

Crescentia DeGoede

April 29, 2014

We are excited to be hosting the next 24+ international singles retreat along the beautiful California coastline near Santa Cruz this summer from Aug. 21-24. The retreat will be held at a campground in a Red Wood grove with plenty of hiking trails, a beautiful beach just 2-miles away, and delicious, local and organic meals. As we are building the program and schedule of activities, we would like to ask you, as a single 24+ member of the Unification community, for your input.

As your retreat planning team, we believe in good company, good food, and having a good time. We will take care of all the logistics and planning to make this retreat natural and relaxing. All we need from you are your ideas and suggestions for how to make this retreat something that you would love to attend. Please take a few minutes to answer the survey below - your brutal honesty is needed!

Sincerely,

Your Retreat Planning Team

Wendy Fiala, Crescentia DeGoede, Mrs. Doug Wetzstein, and Rev. Kevin Thompson

## **Purpose(s) of the Retreat**

The purpose of the Unificationist 24+ Singles Retreat is to provide an opportunity for single members of the Unificationist community between the ages of 24-39 to spend a weekend connecting/reconnecting with each other in honor of their shared identities and history, and meet potential marriage partners. Through the retreat, participants will have the opportunity to: foster new/renewed friendships, awaken/strengthen their connection to God and their family, meet other singles their age, and get to better know each other, as well as, themselves. All participants must be single and must be between the ages of 24-39. All First gen, Jacob gen and Blessed Children that fit the previous description are welcome. The aim of the Singles Retreat is not to change the mind, opinions, heart, faith or preferences of any participant. Although participants do not have to strictly identify themselves as Unificationists, it is hoped that retreat participants will be interested and open to meeting other singles and, or finding a marriage partner with shared values, goals and faith experience.
