

Parents' Matching Education Scheduled for Atlanta, GA - Sept. 26-27

Dear Blessed Family Members,

September 12th is the early bird deadline for the Parents' Matching Education (PME) program on September 26-27, 2015 at the Atlanta Family Church in Georgia. For additional information and registration for the PME [visit the event page on the Blessing & Family Ministry website](#). Although the registration will remain open up until the start of the PME, **those who register by the early bird deadline will pay a reduced price to participate.**

The PME is a wonderful opportunity for parents to understand the matching process, learn from those who have matched their children successfully, network with other parents, and consider possible matching candidates. Parents will also have the opportunity to learn from experienced BFM presenters and will learn how to deepen their relationship with their children and deepen their relationship with their spouse.

We recommend that parents attend a PME before beginning the matching process with their children. Parents whose children are at least 16 should participate in a PME simply to learn and prepare. Parents whose children are younger than 16, are also encouraged to attend the PME to help prepare for the future and also to improve relationships with their children and spouse.

Participants in this PME will receive the brand new, vastly improved 2nd edition of the Family Matching Handbook. They will learn about the matching websites, the international matching process and other resources to support them in matching their children.

If you have any remaining questions, write us at BFMadmin@unification.org. We look forward to seeing parents at this PME and to supporting candidates in the process of matching and Blessing.

May God bless you and your family!
