Home Stay

Help our Out-of-State Brothers and Sisters As you may already be aware, there are quite a few events and workshops taking place among the YAYAM and CARP communities in the last two weeks of December. We are expecting large numbers of participants and volunteers from not just the USA but all over the world! We are looking for people in your community who would like to support the mobilization and workshop efforts by offering their homes as homestays.

We are deeply grateful to those of you who are able to offer some space in your homes, for a week or even a day! [If you can, please fill out the form with what you can offer and your contact details so that we can follow up with you.](#)

Up Coming Events

Registration Deadline: Friday, Dec. 20th at 11:59 PM EST

Dear Brothers and Sisters,

There are only 3 days left until the registration for the Evolve high school and middle school workshop closes! This workshop is very special, because it starts off with attending our True Parents at the rally on the 28th. The theme "Evolve" stems from the idea that we want all the participants to grow their understanding of faith, rooted in God and True Parents. This is also a joint workshop with members from Subregion 1 and 3.

My wish for the youth of our community is not to miss out on such an incredible opportunity to connect with God, True Parents, and the brothers and sisters from different areas of the nation. You can register at the link [here](#). I hope to see you there!

Thank you and God Bless you and your family.
