# VOLUNTEER

Our ministry team would like to increase participation in volunteerism within our community, so that more of our community members can offer their skills, talents and passions for the betterment of our community. We believe everyone has something to contribute, and we want to give everyone a chance to be involved in a way that inspires them. With more volunteers we can do more, and create a more connected community and dynamic faith experience. By filling out the survey below, you will help us know that you have something to offer, and give us the chance to empower you to volunteer in the way that you would be inspired to. You are not committing to anything yet, just letting it be known what you might be interested in and willing to contribute to.

On Sunday, February 23rd we will have a Volunteer Fair in which those who have expressed interest in volunteering will be able to connect with other people who are interested in volunteering in the same way, and begin to make plans for the next 3-6 months. Thank you so much for taking the time to complete the volunteer survey!
