All About Matching

Dear Families,

The Blessing & Family Ministry is organizing a national Matching Education Workshop, "All About Matching", which will take place May 25-29 (virtually). **This is a combination of the Level 1 and Level 2 Workshop.**

This workshop can be attended from the comfort of your home by Zoom, every day for two hours for five consecutive days, from 2:00 PM to 4:00 PM (EST).

Designed for singles 18+ and parents, All About Matching will help participants have clarity around their Matching Process and take action toward receiving the Blessing.

Every successful Blessing starts with a strong vision and purpose, and this workshop will help participants paint a picture of what their future marriage and family will look like, and take the

steps to get there.

Giving For Good

GIVING FOR GOOD

1. Spend time with family to declutter your home
2. Post items for sale, while sharing about the environmental impact our actions have for our planet
3. Keep a portion of funds raised / donate a portion

Did you know that the average American throws away 81 pounds of clothes per year?

YSP and YAYAM are partnering with WFWP USA on this online project to encourage taking care of the environment through responsible reuse and consumption of products, especially clothing.

This project was initiated by Sun Jin Moon, the International Senior VP of WFWP. Mother Moon is also participating in this project.

There will be an official launch on May 15 with people posting of items to sell online. The project will continue through the year.

Go to wfw.us for more info and great resources for the project.
