

Clifton, NJ Family Church: The sudden loss of our dear brother George Glass

Letter from Our Pastor

Dear Beloved Brothers and Sisters,

I hope you are able to feel Heavenly Parent's warm, never ending love for you on this bright, beautiful Summer day.

With the sudden loss of our dear brother George Glass and the memorial services honoring his life this week, I reflected a lot on the meaning of life and the importance of our relationships with those we go through life with. Our lives are so precious, and how we live our lives makes such an impact on the people around us. Love is eternal, but it is experienced moment by moment. Let's remember to make each day count and cherish the people in our lives, and the moments we have with one another.

This Saturday ACLC will be hosting a powerful virtual Prayer Luncheon on the topic of "Black Lives Matter: One Family Under God." I encourage you to join in the fellowship and prayers for healing and unity.

This Sunday I have the honor of delivering the message on the National Family Service. To give you a sneak peak, the title of my sermon is "Be The Truth." I hope it can be a blessing to you in the coming week.

As always, please take good care and may God bless you!

**Many Blessings,
Pastor Crescentia**

CARP Rekindle

CARP New Jersey has initiated a summer program for the summer of 2020. With the situation of the coronavirus, it is easy to lose spirit or connection to our faith.

The purpose of the program is to rekindle our faith with the fire of of the Providence led by True Mother. The program runs from June 8 to August 3 and consists of a weekly guidance all together and daily HDH in trinities.

The topics for each week were pulled from True Mother's speech at the 60th Anniversary of the Holy Wedding on May 8, 2020. So far, the program has 27 participants from not only CARP NJ, but also young people from around the country as well.

This week we will have a guidance from Rev Compton on True Parents.

Anyone interested in the contents are welcomed to join the program. Guidance will be from 3-4pm every Monday.
