### Educating Our Tribes Kickoff!

**Dear Brothers and Sisters,**

Having just completed the first induction of families into the CheonBo Won, I know that Tribal Messiahship is not far from many of our minds. As Tribal Messiahs, we all have people that we would like to educate about True Parents' teachings and the Marriage Blessing. However, this can be a daunting task, and one that we need support in.

In today's Godible True Father expressed, *"The institutional church is merely like an office that serves the families in society."* With this heart, our ministry team wants to support you in the education of the members of your tribe.

We have organized a virtual Educating Our Tribes Kickoff meeting to be held this **Sunday, October 25th from 8:00 - 9:30pm** for the purpose of inspiring ownership over tribe member education. We will be sharing a proposed education plan for individuals, couples and families in our tribes, discussing what's needed to offer this education, and facilitating goal setting. A detailed agenda can be found [here](#).

If this is something you feel called to participate in, please join us by using the following:
