

Clifton, NJ Family Church: Rekindle and Support Our Christian Contacts

Crescentia DeGoede
December 14, 2020

Dear Brothers and Sisters of D3,

Tonight, December 14th at 8:00pm we have a unique opportunity to receive direct guidance from our North America Regional President, Dr. Chung Sik Yong and a practical plan from our SR1 Regional Coordinator of ACLC, Dr. Greg Agulan about outreach to and care for Christian leaders and churches. As you know, True Mother has placed a special emphasis on the role of Christianity in guiding America to fulfil its God-given destiny. In D3 we have made a lot of really great connections with many churches and clergy over the years. However, many of them have lacked consistent followup from our membership, and have been limited in further developing their relationship with True Parents, and taking ownership over the Kingdom building process.

Now is the time for us to rekindle these relationships, and support our Christian contacts in taking the next step. We need volunteers to adopt a church to become the spiritual parent to guide that church. I hope you can respond to the call and adopt a church today!

Tonight, Dr. Yong will share a vision with us of how we can guide these churches in their growth, and help them to fulfil their mission at this time, and Dr. Greg will share a practical plan for how we can coordinate our outreach to and care for these churches. To learn more about this new initiative and how you can participate, please join the meeting tonight. This Christmas season is the perfect time to make a visit to a new Christian Church you've never been to before. Let ACLC help connect you to a church near you that's connected with us in the past, and is waiting to take their next step.
