

Clifton, NJ Family Church: Remembering Kensaku Takahashi

Message from Our Pastor

Dear Brothers and Sisters,

I hope this letter finds you well, and in good spirits and good health.

Having recently celebrated the victorious life of Dr. Ang at his Seonghwa this week, and with the passing of our dear elder brother Mr. Takahashi and his Seonghwa to be celebrated tomorrow, I feel grateful for the foundation our elder members have made for us to stand on, as well as, determined to honor their legacy.

We each leave a legacy behind. The question is what will yours be? Whose lives will you touch? What will you give to the next generation?

As a Unification family we have embarked on a new 7 year course under the leadership of our beloved True Mother. We are in the midst of creating Cheon Il Guk for all God's people to live in. Our national leadership has declared 6 key goals for us to pursue in alignment with True Mother's directions to bring God's long cherished dream to fruition. Tomorrow each subregion will host a Famicon to review these goals, and brainstorm together how to achieve them locally. Each of us has something important to contribute to bring the victory.

If you feel called to participate in tomorrow's Famicon, [please register here](#), and come ready to reflect, share and take ownership.

Wishing you a wonderful week full of blessings!

**Sincerely,
Pastor Crescentia**
