Letter from Our Pastor

Dear Brothers and Sisters,

Happy Holy Day season! Hope you had an enjoyable time celebrating True Parents' Birthday with your families this week, and will join in the celebrations for Foundation Day happening this coming Tuesday and Wednesday.

In this very special season, I want to take a moment to reflect together on the preciousness of True Parents, who have made it possible for all of us to celebrate in a way that has never been possible before. Because of our beloved True Parents, a new era has unfolded before our eyes. Now, more than ever before we can see the possibility for true peace and unity to come about centered on attendance to God as our Heavenly Parent. What gift can we give to True Parents to show our love and appreciation?

For our True Parents the greatest gift we can give them is our heart of attendance, our devotion. True Parents teach us that, "In order to join the realm of attendance, you must have the heart to comfort God." (CSG, p1143) In an expression of love and devotion to True Parents, I hope you can join me in comforting God's heart by restoring this world person by person back to the realm of God's love, starting in our families, and extending out to our friends, neighbors and beyond.

Wishing you a happy and blessed Foundation Day and coming week.

**Sincerely,
Pastor Crescentia**
