Letter from Our Pastor

Dear Brothers and Sisters,

Hope this letter finds you enjoying the warmer weather and Spring flowers that are beginning to bloom.

Springtime is often associated with the beauty and energy of youth. Our True Mother will kick off this season with the Hyojeong Culture Festival, a worldwide online celebration of filial culture and the Marriage Blessing this evening at 9:00pm. The program will include testimonies, music and a chance for our young people to make a commitment to their future Blessing and family in front of True Mother. I especially want to extend a warm invitation to all our youth and young adults to participate in this very meaningful time with our True Mother.

We also have a special opportunity this Sunday afternoon to connect with our brothers and sisters from around our Northeast subregion during our quarterly gathering centered on our President and Subregion Director, Naokimi Ushiroda. Some new and helpful information and resources will be shared, and there will be time for Q & A. Please note that we will not have our usual weekly community gathering and are instead encouraging all our members to participate in the SR1 Gathering instead. The zoom link to join the meeting is below.

Lastly, I want to thank each person that filled out the Survey on Re-gathering together in-person for Sunday Service. Based on the feedback we have received so far, we are looking to host our first in-person Sunday Service on Sunday, April 18 at 9:30am, with an option to participate virtually. More details will be coming soon.

Wishing you abundant love and blessings in the coming week!

**Sincerely,
Pastor Crescentia**

What Do You Think about Gathering In Person?

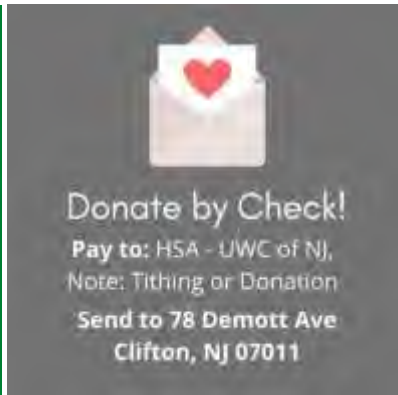

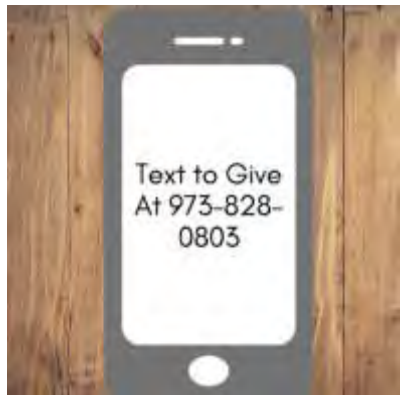

We are considering beginning to gather in person again for Sunday Services at the Clifton Family Church, but would like to hear from you before we do, in order to best serve the needs of our community. Each person's voice is very important to us.

Thank you for taking the time to complete this survey. We really appreciate it, and will make decisions based on your feedback!
