

Clifton, NJ Family Church: In Person Sunday Service this Sunday

Crescentia DeGoede
May 28, 2021

Dear Brothers and Sisters,

Hope this letter finds you embraced by the love of God and True Parents.

It was so wonderful to see many of you at our Outdoor Service last Sunday. Thank you for joining in the festivities. Thank you especially to all the volunteers and ministry leaders who made it possible. We hope to do it again before the summer's end. In the meantime we look forward to seeing you in person or online for our next service this Sunday.

It's hard to believe that we are just a week away from welcoming our beloved True Mother back to America, and joining together with her to celebrate our Blessing culture through the Peace and Blessing Festival. It's a great opportunity for us to reflect on how our lives have been blessed by receiving the Blessing from True Parents or being born in Blessed Families, and being part of the Holy community, rooted in the practice of living for the sake of others. We have our precious spouses, parents, children, siblings and friends in our lives as a result of the love and investment of True Parents to give the Blessing.

As we know gifts from God are better when shared. So, let's not hold back in sharing our blessings with others in this coming week.

Wishing you peace and blessings.

Sincerely,
Pastor Crescentia
