

Clifton, NJ Family Church: New Pastor Search Committee's 3 Candidates

Crescentia DeGoede
April 22, 2022

Dear Brothers and Sisters,

I hope this beautiful Spring day finds you in good spirits and good health. I pray that God's abundant love and blessings are with you.

I have some important practical information to share with you about work being done on our Clifton Family Church building that will effect entry into and exit from the church for the next month, as well as, an update on our Pastor Search.

We are undergoing some serious repairs to the ceiling in our Lobby and Foyer, due to leakage that occurred from heavy rain. While the repairs are being conducted it is not safe to enter the Lobby and Foyer. As such, **the front entrance to the building, foyer entrance from the Chapel and stairwell entrance from the Fellowship Hall will all be blocked off and inaccessible for the next several weeks.**

Entrance to and Exit from the building will ONLY be accessible from the side entrances on both sides of the building for all programs including Sunday Service starting today, Friday April 22nd. This may cause some congestion during Sunday Services and larger programs, so please practice patience and consideration while entering and exiting the building.

For any questions or concerns regarding these repairs, [please contact our Asst. Pastor Takino Atsushi](#), who is overseeing the project.

In happier news, I would also like to report that three candidates from among the six person applicant group have been recommended by our Pastor Search Committee (PSC) and Clifton Family Church Council (Council) for consideration by President Naokimi and Dr. Yong for the position of District 3 and Clifton Family Church Pastor, and we are awaiting their response. Once given we will share another update with you. The PSC, Council and myself would like to sincerely thank you for filling out the survey and offering your prayers and support during this process. The survey results directly informed the decision of the PSC and Council about who to recommend for the position. We appreciate your continued prayers and support as we make this transition.

I hope you can join us for the many wonderful programs and services being offered over the next few weeks! Please take care and many Blessings!

**Sincerely,
Pastor Crescentia**

This Saturday High Noon will be hosting their second 24-hour Online Global Summit. This is an opportunity to hear precious education and heartfelt testimonies in the area of marriage and sexual integrity from people around the world who have been impacted by High Noon's activities.

This summit is a lot like our lives. It's a marathon not a sprint, and when you're running a marathon you need good nutritious food. There'll be lots of that throughout the day and night. If you want to grow your sexual integrity, there will be something special for

you. If you're interested in preparing for your future marriage or improving your existing marriage, there will be something for you too. It's called God's vision for absolute sex.
