Sang Moo Borneman

I born in Korea on 1952. I blessed with ken Borneman 1982 Madison Square 2075 couple. I have 6 children 3 sons and 3 daughters. I had served True Family 36 years in East Garden. I and my husband active Tribe messiahship at Las Vegas. I taught Korean language school 21 years in New York.

Yasuko Oberg:

My husband, James, and I moved to Las Vegas after we both retired in August 2014. We came from Central Washington state, my husband's hometown.

I was born in Fukuoka, Japan, and joined the church in 1972 and came to the USA in 1974 during February. I, as a single member, had various public missions until 1982. I received the matching in 1979 and blessed in 1982 as one of the 2075 couples. Most of the time from 1983 to 1993, we lived in Anchorage, AK where we had the opportunity to welcome and serve True Parents, True Children, and leaders from different countries. Then James and I moved back to his hometown in 1993. I worked in a public elementary school as a para professional, teacher's aid, for 20 years where I enjoyed helping children. I have learned all children are so precious. There were students with many difficult situations mentally, physically and emotionally, but they were trying to live to their fullest potential. Also, the school faculty members were teaching and helping those students with compassion, empathy and discipline with a parental heart. I was so grateful with the job Heavenly Parent assigned me.

Tora Ota is a 23 year old 2nd gen and the son of Zen Curry Akira san and Yoko Ota. I graduated from VCU with an Exercise Science degree and currently working as a Personal Trainer at a gym called Fitness 19. I'm also the Youth Group Leader along with Mikito from Haven St., Rev. Doo's daughter Silvia, and Mia from CARP.
