Hello parents!

Happy True Parents Day :) I hope that you and your family are happy and healthy and safe during this time. I am sure that things must be chaotic and confusing with there being schools going online and many jobs being temporarily closed.

Hopefully your kids have not gotten too bored just yet!

Although we cannot meet as a large group as we had hoped and planned, we still wanted to provide an opportunity for the youth to connect with one another and develop a sense of community. Times like these calls for opportunities to build strong relationships so we hope that we can do that!

With that being said, youth ministry will be holding a virtual Saturday Night Dynamite from 7pm to 8:30pm this upcoming Saturday, March 28th. All your kids need is their own laptop or phone and the zoom app, which is where we will be hosting the event. We are asking that each kid has their own device since we will be playing online games together and breaking off into different groups for discussion.

Please join us from PC, Mac, Linux, iOS or Android: zoom.us/j/4058080219

Please make sure your kids download the app on their phone or get it on the laptops/computers beforehand and that they each have a device so that they can participate in the games and discussions fully. Thank you and we look forward to seeing everyone 28th!

If your kids are unable to get their own device, please just email me personally so we can prepare ahead of time :)

Thank you all and we are sending all our love and prayers to each family!
