***Daily TPs' Hoon Dok Words ***

"I bend my head and place my ear upon the heartbeat of America. I hear no one seeking the solution from above. We keep on criticizing and the nation sinks; we criticize some more and the nation falls even farther, deep into greater peril. Now is the time for America to renew the faith expressed in her motto "In God We Trust" This is the founding spirit that makes America great and unique. God blessed America because of this spirit. Furthermore, America is fulfilling a vital role in God's plan for the modern world. God is depending on America today. Therefore, the crisis for America is a crisis for God. An answer must come from above, from God, from the one who has the answer. I have prayed to God earnestly, asking Him to reveal His message."
