**\*Daily TPs' Hoon Dok Words \***

"History is creating a new world. No one can tell me I'm wrong about this; I'm not ashamed to say it. When I see the face of a fish, I speak to it. All-day while fishing I say, "You have never seen a person like me, right? My purpose is not to catch you. I want to mobilize you, and based on this fishing ground I want to solve the problem of hunger for humankind..."

**Register today! International Leadership Webinar: September 11-13**

Dear Family,

This weekend we have an exciting opportunity to join

**Upcoming Event**

**Useful Links**

the Universal Peace Federation's International Leadership Conference. Usually, only a select few get to travel to Korea and experience these deliberations and discussions by world leaders. But thanks to our special circumstances, we're going online, and this time, everyone is invited!

From Friday, September 11, through part of Sunday, September 13, UPF is hosting a series of webinars. Leaders in every sector from North, Central, South America and the Caribbean will gather online to build bridges of peace.

Be part of the discussion around some of the most compelling topics of our time. Don't worry, you don't have to sign up for every single session, but there is something there for everyone! The role of media in today's social climate, international business opportunities, interfaith relations, the necessity of women's leadership in perilous times, and much more. Oh, and it's all free.

Choose a couple session from the menu here: [www.upf.org/ilc2020-americas](http://www.upf.org/ilc2020-americas)

Did I mention that this is a great opportunity to invite your guests? You know, those friends to whom you've been trying to explain what we do to build peace around the world! See the attached invitation letter and the complete schedule of speakers. Spread the news, we hope to see you there. God Bless you,

Rev. Demian Dunkley  
President

## **Committee Reports**

### **Finance - Steve Pierce**

MOTION: A financial support for the Sunday School staff will be further discussed when in-person services resume.

VOTE: All six council members have voted in favor of the motion.

All public expenses are being more carefully examined during this COVID-19 pandemic based on reduced usage and reduced tithing.

Rev. Doo shared a financial document detailing the rental income and expenses of Cheon Hwa Gung for 2019 and 2020. These finances are separate from church finances.

Rev. Doo is considering several options for generating personal income.

This is due to HQ's decision to gradually transfer pastoral financial support to own local responsibility during a time period of 18 months. We are grateful as a community for the unique support provided to us from HQ these past number of years.

### **Sunday Service** - Rev. Andy Compton

Virtual services will continue for the time being.

### **New Church Building** - Rev. Doo

Rev. Doo reported about HQ's current financial challenges regarding building our new church.

### **Youth and Young Adult** - Torao Ota/Makiko Watanabe

No report given.

### **Old Business**

### **LVFC Directory**

Rev. Doo is planning to include our movement's vision statement and terminology in the directory for easy access for our members.

Rev. Doo will create a paper copy of the directory.

### **New Business**

### **Council Community In-Reach Team**

The council is planning to create a team for reaching out and visiting our own local community members and checking how they are doing.

### **Closing Prayer** - Makiko Watanabe

Next Council Meeting - Sunday, September 27, 2020

Meeting adjourned at 6 p.m.
