Areas of Interest Reports

Finance – Steve Pierce

For the month of August, donations have increased from the previous month. Additionally, income surpassed the amount of expenses.

We are still researching ways to reduce our expenses.

Sunday Service – Rev. Compton

With careful planning and safety precautions, in-person Sunday service may begin again soon.

Discussions about restarting in-person Sunday service will begin at the next Sunday service committee meeting.

For those interested in joining the Sunday service committee meetings, they can contact Dieu. The meetings are held on Tuesdays through Zoom.

Both indoor and outdoor spaces may be able to be used to accommodate over 100 people. Sunday service can be streamed to a monitor for outdoors viewers.

New Church Building – Rev. Doo

Currently, builders' bids have increased significantly due to COVID-19.

It has been suggested to cancel all bids and to try again in a few more months.

Youth and Young Adult – Jeffrey Silerio

For Shine City Project, service projects may begin again in the upcoming weeks with additional safety precautions.

Because of the recognition that Shine City Project received earlier in the year, it would be good to make information about the group and upcoming service projects more available to community members and beyond.

Old Business

LVFC Survey

Original survey questions are less relevant due to the current COVID-19 situation.

Once in-person services resume, the survey can be brought up again for revision and eventual distribution.

New Business

Community In-Reach

Rev. Doo will be personally reaching out to the entire community and checking up on our local community members by video or phone call over the next couple months, beginning October 7th.

Next Council Meeting Schedule – Sunday, November 1, 2020, 4 p.m.

Every year, designated meetings are open for all local community members to attend. November 1st is such a meeting. Meeting will be held at 4 p.m. at the CHG main house.
